GAME DESCRIPTION

You've come to the wrong part of town, friend. Here you will meet the animalistic Outlaws Inc. biker gang and have to stare down their fearsome weapons. This 5x4 spin slot has payline wins and offers a maximum win of 10,000 times your bet!

FEATURES

GLOBAL MULTIPLIER

The Global Multiplier above the reel is increased by landing the revealing purple Cougar and green Orc symbols.

The Cougar adds the revealed value to the Global Multiplier value, and the Orc multiplies the Global Multiplier by the revealed value.

Cougar reveal values: 2x, 3x, 4x, 5x, 10x, 15x, 20x, 25x, 50x, 75x, 100x

Orc reveal values: x2, x3, x4, x5

Land the Gorilla symbol to activate the Global Multiplier! When the multiplier is activated, the multiplier value is applied to all win amounts in the current round. If more than one Gorilla symbol is present on the grid at the same time, the Global Multiplier value is applied once for each Gorilla to all wins on the current spin.

After the Global Multiplier is applied, the value resets to 1x. This applies in both the base game and free spins.

STAR BAR

The Star Bar next to the reels shows any extra spins awarded in the base game, or the remaining number of free spins in the bonus game.

When a Star Badge symbol lands in the base game, it will award 1-3 Stars that are added to the Star Bar. At the end of the current round, all Stars are used one at a time for one free extra spin per Star. The Global Multiplier value is not reset on extra spins!

In the bonus game, the Star Bar shows the number of remaining free spins in the feature.

SPECIAL SYMBOLS

The Wild symbol substitutes for all High or Low paying symbols.

The Free Spin symbol only appears in the base game.
