## INTRODUCTION

Stormcraft Studios proudly presents Stormchaser, the next chapter of the legendary Thunderstruck® saga. This high volatility, 5x4, 1024 ways slot game, features immersive 3D graphics and innovative game mechanics like the popular Rolling Reels™ and the new and exciting Multi-Chase™ feature. In addition, offering a completely original music playlist to support the player's journey through this adventure filled gaming experience.

Thunderstruck's captivating story continues as Thor embarks on a quest to retrieve his father's sacred spear and claim his rightful place on the throne of Asgard. Thor is Wild and can substitute for all symbols excepts Scatters. Amazing multiplier symbols are dispersed across the reels and can substantially improve winning combinations.

Land 3 or more Scatter Hammer symbols to trigger Free Spins, which is also purchasable, allowing players the freedom to activate the feature at any time. Thor charges up the Asgardian Wheel of Fortune, which determines the number of Free Spins, the starting multiplier, as well as randomly awards WildStorm tokens.

During Free Spins, Wildstorm tokens can be accumulated by landing Scatters. Lucky players can be awarded up to 3 WildStorm features which can result in legendary win potential, if Thyra, the Goddess of WildStorms, deems them worthy.
