

DIAMOND MAGIC *Deluxe*

Diamond Magic is back in a DELUXE version, now with Free Spins and four different Buy Bonus modes. A luxurious game that's overflowing with sparkling diamond magic.

Diamond Magic Deluxe is a 5x3-reel slot game with 10 paylines. Features include Free Spins with Expanding Wilds with Multipliers.

Aim to land three, four, or five gold ingot SCATTERS to trigger five, seven, or ten FREE SPINS. Never take your eye off the most precious gem—the diamond, which is the WILD symbol, as this is where the magical spin comes in: During Free Spins, the diamond Wilds can land on any of the reels and have a win multiplier of up to 5x. The multipliers that fall on the same payline are summed up.

When the Wild symbols land on reels 2, 3, or 4 they expand over the entire reel to then trigger a RESPIN. Wilds substitute all symbols.

Diamond Magic also comes with two added features: a GAMBLE FEATURE that offers you the option of doubling your winnings up to five times, and four BUY BONUS that you can use to buy different numbers of spins.

Revel in this extravagant, yet classic slot. You cannot say a spin is over until those Wilds stop appearing.

Game features

FREE SPINS

Landing 3, 4, or 5 Scatter symbols triggers 5, 7, or 10 Free Spins. During Free Spins, Wild symbols can land on any of the reels and have a win multiplier value of up to x5. The Multipliers on Wild symbols on the same payline are summed up and displayed as a Total Multiplier. The Total Multiplier is the maximum potential multiplier for a winning line.

Landing 3, 4, or 5 Scatter symbols during Free Spins triggers 5, 7, or 10 Free Spins respectively.

WILD RESPIN

During the base game, Wild symbols land on reels 2, 3, and 4 only. Wilds expand over the entire reel, substitute for all symbols except for Scatters, and trigger a Respin. During a Respin, the reels with the Wild symbols stay locked and the remaining reels spin again.
