

Red Tiger Presents: Santa Spins

If you're having problems with your holiday shopping, let's unwind with Red Tiger's Santa Spins. This simple, atmospheric Christmas game can help you relax during the holiday shopping frenzy.

It's that time of year once more! Santa Claus is preparing to deliver gifts to all good children throughout the world. Yes, you will be his assistant this year. Create a Santa Wild by spinning it across the whole first reel of Santa Spins. When Santa appears, and some House Wilds appear on the snowy slope reels, he will scatter gifts and presents all around the houses. He adores getting into the Christmas mood.

Keep a look out for Santa Claus on Christmas Eve, which is the busiest time of year for the old folk! Accept the excitement and joy that this person brings to everyone's home. But be kind to him so you can acquire some great gifts—may luck move into your Christmas stockings over the mantelpiece!

HIGHLIGHTS

- The full-reel Santa Wild turns House Scatters into House Wilds!
- Activated House Wilds complement your pay lines!

About Red Tiger Jackpots

Like all Red Tiger slots, Santa Spins may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 94.68% RTP and adding a 1% jackpot contribution gives an overall RTP of 95.68%. The RTP of the jackpot contribution itself is 100%.

FEATURES IN THE GAME

SANTA WILDS AND HOUSE WILDS

The Santa Wild can only appear on the first reel and in full view. When it collides with House scatters, Santa tosses gifts onto them, transforming them into Wilds. All House scatters that have landed alongside Santa will be transformed.

Wilds act as the symbol that provides the longest winning combination on a single pay line, substituting for all other symbols.

The House symbols are scatters that can appear anywhere on the reels except the first. During a spin, up to 16 House scatters can appear. House scatters cannot be used to make winning lines. They can only participate in wins if the Santa Wilds transforms them into Wilds.

THEME AND SYMBOL DESIGN

The four face card symbols covered in snow slide onto the reels as the low-paying symbols in Santa Spins.

The high-paying symbols fall down the chimney to the reels as a Christmas wreath, a pair of jingle bells, cocky reindeer and the adorably wonderful Daughter Christmas.

Santa Claus is the full-reel Wild in the snowy mountains, where the air is so chilly that your breath vapourises into ice crystals floating in the air.

When snowy House Wilds appear on the reels, Santa Wild is ready to gift some presents to those nifty little households.
