

# SUMO SUMO

## Phat wins ahoy!

To celebrate the final night of battles, the ultimate Yokozuna invites all to a very non-traditional game of Sumou no Sumou where the biggest stack of sumos wins!

Sumo Sumo is a 5 reels, 5 rows stacked slot. It comes with larger-than-life multiplying wilds, respins, and 2 bonus games; all adding up to a max potential of 25,000x!

## Sumo stacks

The more sumos, the better! Adjacent or winning sumos create Wild Sumo Stacks, a walking multiplier wild that grants respins! Brawl with opponents to make super large multipliers!

## Speedboat BONUS

3 Bonus Symbols award the Speedboat Bonus, a brand new type of hold and spin game, with coins and features guaranteed to boost your win!

## Free Spins

2 Free Spins symbols award the Free Spins game, where Wild Sumo Stacks never spin out!

## X-iter™

X-iter™ allows players to jump straight into the action with 5 different game modes ranging from a 2x bet with more than double the chance to land a bonus, to a 500x bet free spins game.

## Recommended size and ratio for desktop browsers

For the optimal gaming experience, ELK Studios recommend launching the game in 1600x900 resolution. If scaling is required, use 16:9 ratio.

## Technology

ELK games uses state of the art web technologies including support for canvas and WebGL. The client detects the capabilities of the device regardless if the player is running on a desktop, tablet or mobile.

The game client will then optimize the gaming experience based on those parameters.

# ELK Studios

## We build great casino games

Since founded in 2013, ELK Studios has pushed boundaries in the online casino industry. From groundbreaking mathematics to astonishing artwork, ELK takes pride in developing entertaining mobile first content that maximizes the experience for players around the world.

Our games are developed and compiled by our inhouse studio in Sweden, and we use well known test centers such as Trisigma and Gaming Laboratories International to certify them. Once released, all games are operated by partners and operators who hold license in each market.
