

Booongo Network Tournament Series

Daily Cash Hunt

Participant's Terms and Conditions

Marketing Guidelines

Introduction & Benefits:

We are pleased to welcome you as a participant in the **"Daily Cash Hunt"** Network Tournament Series.

- **Network promos running on Booongo HYPE promotools** - is an efficient marketing tool which guarantees growth of players' interest and engagement. For the last year, players who participated in our network campaigns showed an impressive progress for Operators with an average increase of 48-135% GGR and 46-120% Bets, compared to the same period month before!
- **Tournament Series** is a unique promo tool firstly introduced by Booongo. In fact, it is a combo of **regular tournaments with mixed terms** (duration of each tournament in the series can vary), **Scoring** (Winning Mechanic) and **2nd (EXTRA) Leaderboard** reflecting player's progress.
The summertime Money Chase Series campaign showed that up to 27% of players returned to the competition more than once during each week of the Series, which is on average an improvement of 7% compared to regular tournaments. Monthly retention among qualified players showed a growth of 11% in comparison to regular tournaments.
- The best way to anchor, boost and assimilate positive results - is **systematic approach**. Booongo fully organises and supports regular (2-3 times per month) promo activity which can be planned in advance. Please, check **Booongo's Campaign Roadmap** [here](#).

BENEFITS FOR OPERATORS participating Booongo's Network promotions on top of the progress mentioned above:

- ✓ Tangible and **attractive Prize Pools** for players (30-50-70K EUR) and risk shared marketing approach with Operators and Booongo.
- ✓ **Low marketing expenses** (approx 1500 EUR for Operator in average)

LOOKING FOR INDIVIDUAL APPROACH ?

The option of a fully customized **Local Promotion** is also available for Operators. Local Promos are individually crafted campaigns which target your audience with Prize Pool fully dedicated to your players. Campaign will be individually set up to fit your playing audience better. For more details please contact your Account Manager.

Required Promo Actions

To ensure the best outcome from Booongo's Network Promo we HIGHLY recommend to follow promo actions listed below:

BEFORE the tournament:

- place TOP 4-5 tournament participating games in the TOP positions of **MAIN** and/or **Popular** sections in your lobby
- place "**Tournament**"/"**Daily Rewards**"/"**Promo**" tag(s) on the icons of participating games, tags are already prepared by us and can be found [here](#)
- place a header **banner** on the main page rotator to keep your players informed and redirected to a Promo page. Feel free to post news and banners in your social media.
- Prepare a dedicated **Promo page** (landing) for this campaign, mentioning all the TnCs and providing a LIST OF PARTICIPATING GAMES. Art assets are provided by us in PSD for your designers to work them out.
- For Tournaments/ Tournament Series : use our **Leaderboard API / JS widget** to show the inGame Leaderboard in the context of your dedicated Promo page. It is designed to show inner campaign activity for users visiting the Promo page, being not logged in to participating games.
Link for API / Widget, mentioning the UID of campaign, is provided 1 day before the campaign launch. Feel free to contact your Account Manager.
- at least one day in advance warm up your players with **targeted Email Campaign** and/or any other communication channel you prefer (Telegram, Viber, Social Networks etc) informing about the upcoming Tournament.

DURING the tournament:

- engage your players with **pre-tournament and push notifications** in your preferred communication channels
- Incentivise players to jump in with gifted **FreeBets (i.e. Deposit Freebets)** - using any of TOP5 participating games of this campaign
- Optionally guarantee **Bonuses (deposit, reload, cashbacks)** to your players for participating in this campaign - using any of TOP5 participating games or Booongo provider in general.

PROMO ASSETS:

Prepared 3-4 weeks before the launch of the campaign and stored [here](#). Please, contact Booongo Team or your Account Manager if the link is not accessible.

REGULAR TOURNAMENT SETTINGS

Tournament Prize Pool:	4`000 EUR for each Tournament, which is 48 000 EUR in Grand Total for 12 tournaments (or player's currency equivalent)
-------------------------------	---

Please, check the **Prize Pool Distribution** Section for more details.

Qualification:	To be qualified and have a right to claim the prize player should fulfill the following conditions: <ol style="list-style-type: none">1. Minimum Bet is 0.50 EUR,AND2. Minimum number of spins is 100. All points collected during the qualification stage are saved and considered for a player after passing the qualification. Non-qualified players are also shown on the Leaderboard, but stripped and in grey until they are qualified.
-----------------------	---

Tournament Scoring (Winning Mechanic):	<p>HSRM (Highest Single Round Multiplier) - the highest win-to-bet ratio/multiplier is considered Example: Bet = 5 EUR and Win= 150 EUR, Win-to-bet multiplier = 150/5 The player gets 30 points until a higher multiplier occurs.</p> <p>HSRP (Highest Single Round Payout) - the biggest payout in money equal to the number of assigned points Example: Bet = 2 EUR and Win = 340 EUR The player gets 340 points until a higher payout happens.</p>
In-Game Tournament Leaderboard:	<p>During the Tournament Leaderboard is updated in real-time with each player's spin. Stats are updated on a 10 seconds sync between the game and promo server if no player's activity.</p> <p>Winning Points are shown and sorted on the Tournament Leaderboard - the best players' results are always on TOP.</p> <p>Forming Final Leaderboard stage reserves a 5-minutes delay to get rid of all possible data loss scenarios, players can see a Stripped Leaderboard when proceeding final calculations.</p>
SERIES SETTINGS	
Series Extra Prize Pool:	6 000 EUR for each Series, which is 12 000 EUR in Grand Total (or player's currency equivalent)

Series Extra Scoring (Winning Mechanic):

Players are getting Series Extra Points during the whole Campaign based on following logic:

For Passed Qualification in each Regular TNT		200 points
For Every 100 EUR Bets during all Regular TNT		1 points
For Place in Regular TNT	1st	1000 points
	2nd	500 points
	3rd	250 points
	4th-5th	200 points
	6th-10th	150 points
	11th-100	50 points
	101th-200	30 points

Points to Series Extra Leaderboard received by players are accumulated during the whole series of Tournaments. Player with the biggest accumulated score is taking the 1st place in **Series Extra Leaderboard**, while others are sorted accordingly.

Series Extra Leaderboard:

The **Series (Extra) Leaderboard is running in parallel** with the In-Game Regular Tournament Leaderboard.

Player can see **2 Leaderboards at the same time**: The Series Extra Leaderboard and In-Game Tournament Leaderboard, showing player's progress during the whole series of tournaments

The Series Leaderboard is **visible on the right side of PromoUI** and shows the historical progress of collected points of a current player and the Extra Leaderboard itself with Extra prizes for the Series.

Series (Extra) Leaderboard prizes are paid out simultaneously with a closing Regular Tournament of the Series on **15.06.2021 23:00 UTC and 22.06.2021 23:00 UTC**.

Prize Pool Distribution

1. With enabled **auto-payout feature** Prizes are paid out automatically to winners who received Win Pop-up after the Tournament is finished and final results are available on the Leaderboard.
2. In case of disabled **auto-payout feature**, players receive Win Pop-up stating that their prize will be manually credited to their accounts by the responsible Operator in **72 hours**.
