Hold the Jackpot

Popular bonus round with new and exciting features

The Hold the Jackpot bonus is triggered by 6 Bonus symbols. Players are granted 3 Re-spins and each new Bonus symbol appearing on the reels resets the counter to 3. In the Hold the Jackpot bonus round players collect five types of Bonus symbols: Golden Coins awarding prizes ranging from 1x to 10x player's bet, Jackpot Coins granting Mini, Minor and Major Jackpots, Golden Ox Coins that accumulate all values from Golden Coins drawn on the reels below and multiply them randomly by 1-9x, Money Tree symbols that randomly add from 3 to 8 Golden Coins to the reels below, as well as Mystery symbols which can transform into any Bonus symbol. Filling up all 27 reels with Bonus symbols of any type awards the Grand Jackpot of 1000x player's bet. All prizes, including Jackpots, are summed up at the end of the bonus round, giving players a chance for huge wins!

Golden Coin Symbol

6 Bonus symbols in shape of Golden Coins activate the Hold the Jackpot bonus. Golden Coin symbols award prizes ranging from 1x to 10x player's bet.

Jackpot Coin Symbols

Jackpot Coin symbols can randomly appear during the Hold the Jackpot bonus round and award corresponding Jackpots: Mini Jackpot of 20x player's bet, Minor Jackpot of 50x player's bet and Major Jackpot of 150x player's bet. Multiple Jackpots of the same type may be won during the bonus game.

Golden Ox Coin Symbol

Golden Ox Coin accumulates all values from Golden Coins drawn on the reels below and multiplies them randomly by 1-9x.

Money Tree Symbol

Money Tree randomly adds from 3 to 8 Golden Coins to the reels below. If a new Golden Coin is added to a reel position already occupied by a Golden Coin symbol, it increases its value.

Mystery Symbol

Mystery symbols can randomly appear during the Hold the Jackpot bonus round and transform into any Bonus symbol (Golden Coin, Jackpot Coins, Golden Ox Coin, Money Tree). Mystery symbols open one by one at the end of the bonus round.

Special Bonus symbols (Jackpot Coins, Golden Ox Coin, Money Tree, Mystery symbol) can only appear on the top row of the reels, while regular Bonus symbols (Golden Coins) can only appear on the four remaining rows.

Expanding Wild Symbol

Wild symbol expands towards the top of the reel and substitutes for all symbols except for Bonus symbols and Sack symbol.

Sack Symbol

Drawing a Sack symbol and up to 5 Bonus symbols at the same time awards an extra prize accumulated from Bonus symbols.

Buy Feature

Not a big fan of waiting for your favorite bonuses to appear? With our Buy Feature they will happen at your wish!
