Safari of Wealth

Safari of Wealth is a 5-reel video slot with 243 payways. During Free Spins, up to 7776 payways become available.

The WILD symbol substitutes for all symbols, except SCATTER. Both the WILD and SCATTER symbol are present on all reels.

3 or more SCATTER symbols trigger the FREE SPINS feature. Before the feature begins, choose one of the five options. The chosen option determines the number of initial free spins and the number of winning payways available. When selecting Mystery Pick, the number of free spins and number of payways are randomised from the available pool. 3 or more Scatter symbols re-triggers the feature, with the same number of initial free spins only.

There is a chance to win a WILD PRIZE on any paid spin. At random, between 1 – 5 reels can become a Gold Reel. When a WILD symbol lands anywhere on any Gold Reel, you are awarded a Wild Prize. To determine which Wild Prize has been won, keep selecting coins until 3 matching symbols have been revealed.

If FREE SPINS and WILD PRIZE are won on the same spin, the Wild Prize is resolved first. Wild Prizes cannot be won during Free Spins.
