Switch Studios is proud to present French Roulette, the latest addition in our suite of Roulette titles, where players can experience the thrill of Roulette both at home and on the go.

The game of roulette is one of the most consistently profitable and successful table games on the market. Switch Studios takes this variant of the traditional game into the modern era, focussing on a quality user experience and a crisp, stylish design.

French Roulette is built on a brand-new game engine, and boasts an impressively realistic 3D roulette wheel with true-to-life ball behaviours. The game also includes advanced features which are favoured by traditional players and high-rollers. Racetrack betting, Favourites, and Special Bets are all displayed in a modern style that will appeal to a growing market of mobile casino players.

Roulette is both a mobile and desktop gaming experience, and on mobile devices is playable in both Landscape and Portrait views. The game’s stylish aesthetic combined with its exciting and compelling gameplay makes it an essential addition to every operator’s portfolio.
