

Squid from the Deep™

Game description

The new Squid from the Deep™ slot is about to bubble up all the fun! Throw on your diving suit and splash your way over to an underwater world filled with all sorts of majestic sea creatures.

Featuring five reels and four rows with 40 pay lines, this slot will take you on an adventure to the deep blue sea. Keep your eyes peeled for the Golden Squid Scatters, as legend has it that if you find at least three swimming their way through the reels, you can hook 10 Free Spins your way. You should also stay on the lookout for Blue Squid Wilds throughout your adventure as these symbols can replace any other symbols besides the Golden Squid on the reels, giving you an extra shot at scoring rewards—no squid-ing! Swim as far out as you can and try your luck at landing magnificent sea treasures.
