

# QUANTUM™ BLACKJACK PLUS

INSTANT PLAY

 

## TABLE GAME RELEASE QUANTUM™ BLACKJACK PLUS

An innovative Blackjack game with random multipliers from the quantum series.

The Quantum Blackjack Plus delivers a unique visual appeal and innovative gameplay. This game features exciting multiplier mechanics that increase a player's chance to win big.

Up to 5 Cards are randomly nominated with a win multiplier during each game, making each play different from the last. This feature, called the Quantum Multiplier, gives players the chance to win up to X1500 their bet. This is a unique take on Blackjack which will provide players with additional excitement over a long period of time.
