

Red Tiger presents: Neon Links

Red Tiger proudly presents Neon Links, a 5x3 slot game inspired by the bright lights of Las Vegas and classic fruit machines! The symbols in this game are represented as neon lights that are sometimes lit. If two Neon Symbols appear on the same row, they connect and turn all symbols between them on that row into neon symbols, turning up the win voltage. During Free Spins (Vegas Spins), one Neon Symbol will be chosen and expands into a 1x3 Neon Super Symbol for the duration of the bonus round, dishing out electric wins. It's a great game that brings old-school slots into the Digital Age. Join the buzz!

About Red Tiger Jackpots

Like all Red Tiger slots, Neon Links may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 94.72% RTP and adding a 1% jackpot contribution gives an overall RTP of 95.72%. The RTP of the jackpot contribution itself is 100%.
