**REELPLAY**

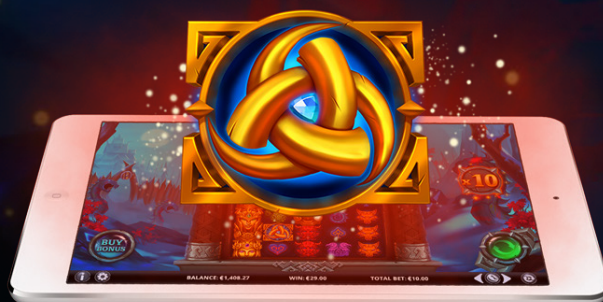

**Ascend to the grand, majestic halls of the afterlife  
in Towering Pays™ Valhalla slot game.**

**Games Lab's innovative new mechanic Towering Pays™ starts in a 5 reel, 3 row  
configuration with 15 lines active and progresses all the way to a 5 reel, 8 row  
configuration with 65 lines active and then to a feature offer.**

**Any Towers appearing in an active position will change  
to the same symbol before pays are awarded.**

**A feature offer is awarded when Towers appear on reels 1,2, and 3  
during 5x8 reel configuration and starts the Feature Trail, in which  
players may accept a feature or play on for a better one.**

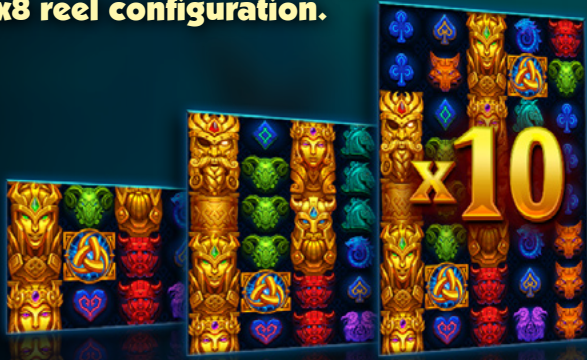

## FEATURES

# TOWERING PAYS™

Towers may appear on reels 1, 2 and 3.

Play starts in a 5x3 and progresses to a 5x8 reel configuration.

Towers landing on reels 1, 2 and 3 trigger a row expansion and lines increase by 10.

Row expansion persists until a Feature Offer is triggered.

## FEATURE TRAIL

Towers appearing on reels 1, 2 and 3 during 5x8 reel configuration triggers a Feature Offer.

Players may accept a feature or play on for a better one.

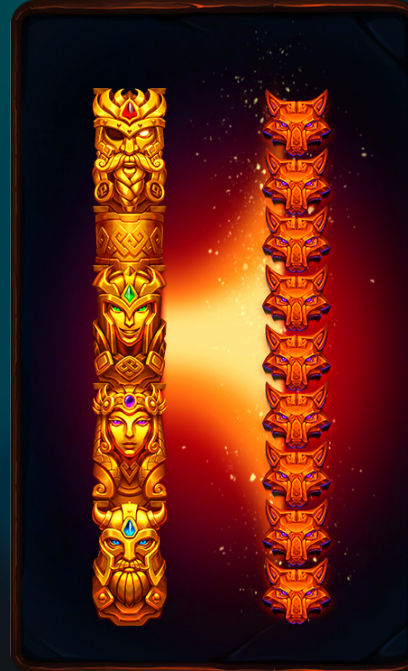

All features wins have a chance to award a prize multiplier up to x10.

Features progress from possible to guaranteed multipliers, then additional Towers appearing.

In the last stage of the Odin Feature Towers may appear on all reels leading to huge wins!

## SYMBOL SHIFTS

Towers all change to same random symbol before pays are awarded.
