# ONE Blackjack

If there's ONE Blackjack game you should absolutely be playing, it's this. ONE Blackjack retains the basics of the game we all know and love, while adding a new dynamic with huge winning potential over Classic Blackjack.

Broadcasted from our custom-made, state-of-the-art studio, there's simply ONE seat, an unlimited number of players and a host of existing and new side bets. Players now have the chance to win up to 2000x stake, with an entirely new side bet option.

# Key Features

- Fully scalable, single seat Blackjack with the capability to make individual decisions using the same box
- Four different types of side bets:
  - Crazy 7 - bets on the possibility of having trip 7's on the players first 3 cards with suited trips being the best possible outcome
  - Bust Bonus – bets on the dealer's hand busting. The more cards they use to achieve this, the bigger the payout
  - 21+3.
  - Perfect Pairs
- Statistics that show preferred decisions taken by most players in real time.
- Six Card Charlie is a Special built-in feature/rule, where if a player draws 6 cards without busting. It is automatically deemed a winner.
