# Game rules

Welcome to Book Hotfire Video Slot with Bookgame, Special symbol and Retrigger for more Bookgames

## HOW TO PLAY

- Select your bet, and press spin button to start the game. Three or more scatters trigger 10 free games. During the feature these will re-trigger again 10 free games. When hitting the feature one of the symbols is randomly selected on the wheel.

## HOW TO CALCULATE PAYLINE WINS

- To calculate your total payline win, calculate all payline wins and add them together.
- To calculate a single payline win, count the number of identical symbols lined up in sequence on the line starting from the left most reel.
- Scatter wins pay on any position.
- After the Free Spins round is completed, all wins are added to any win from the game that activated the Free Spins.

## GAME OPTIONS

Click the options icon to expand or collapse the options tray.

- Info – Shows payable, explanations of the game features, and information on the paylines.
- Sound – Change sound volume or turns it off
- Full Screen – Turns on and off full screen mode. (Desktop Only)
- Rapid button – This button cycles (Normal speed, faster and turbo)

(Some features and options may not be available in your jurisdiction)

## **GAME PANEL**

- Balance – Shows current balance of player
- Bet Level(+/-) – Increases or decreases the current bet.
- Bet – Displays the current bet.
- Win – Displays the win for the current or last win payout step.
- Max Bet – Sets the bet to the largest available. Pressing the button a second time returns it to its original state. (If available)
- Autoplay (if Available) – Players can make the game play without pressing the spin button each time. Pressing the autoplay button a second time stops the autoplay.

- Spin Button – Places the bet and spins the reels. When the reels are spinning, the spin button changes colour. Pressing the Button stops the reels faster.
- If your operator allows coins, then bet level will be coin value and you will be able to toggle between coins and cash by pressing on the balance, bet or coin value field.

(Some features and options may not be available in your jurisdiction)

## **RETURN TO PLAYER**

- The expected payback reflects the theoretical return across a very large number of spins by numerous players over an extended period of time.
- The overall theoretical return to player is 96%.

## **RANDOMIZATION**

- The reels are spun with a fair and equal chance for each stop position by a certified random number generator. For more information, visit <http://www.yggdrasilgaming.com/en/about-us>
