Hold the Jackpot

The game takes your players to a dragon's den and immerses them for good.

Gathering at least 3 Bonus symbols takes your players to the dragon's den in the Hold the Jackpot Bonus Game full of fiery attractions. During the Bonus round, huge dragon's claws hold all Bonus symbols stuck to the reels. At the beginning of each Bonus round, the lavish beasts award your players with three Re-Spins. Each new Bonus symbol resets the number of Re-Spins to 3. Your players benefit from the benevolence of the Bonus Game until Re-Spins are finished or all reels are filled with Bonus symbols. When the Bonus Game ends, the red-hot dragons breathe the fire of wins and award your players with prizes for the number of collected Bonus symbols – they may grab Mini, Minor, or Major Jackpot symbols. The more Bonus symbols they collect, the bigger prize they get. The Grand Jackpot of 2187x player's bet is paid after collecting all 9 Bonus symbols.

Bonus Symbol

Drawing 3 Bonus symbols activates the Hold the Jackpot Bonus Game. When the Bonus Game ends, the prize is paid for the number of collected Bonus symbols. Collecting Bonus symbols allows players to progress through Mini, Minor, and Major Jackpots to finally hit the mesmerizing Grand Jackpot and win 2187x their bet.

Wild Symbol

Wild Symbol substitutes for all symbols except for Bonus symbols.
