

Legacy of Kong

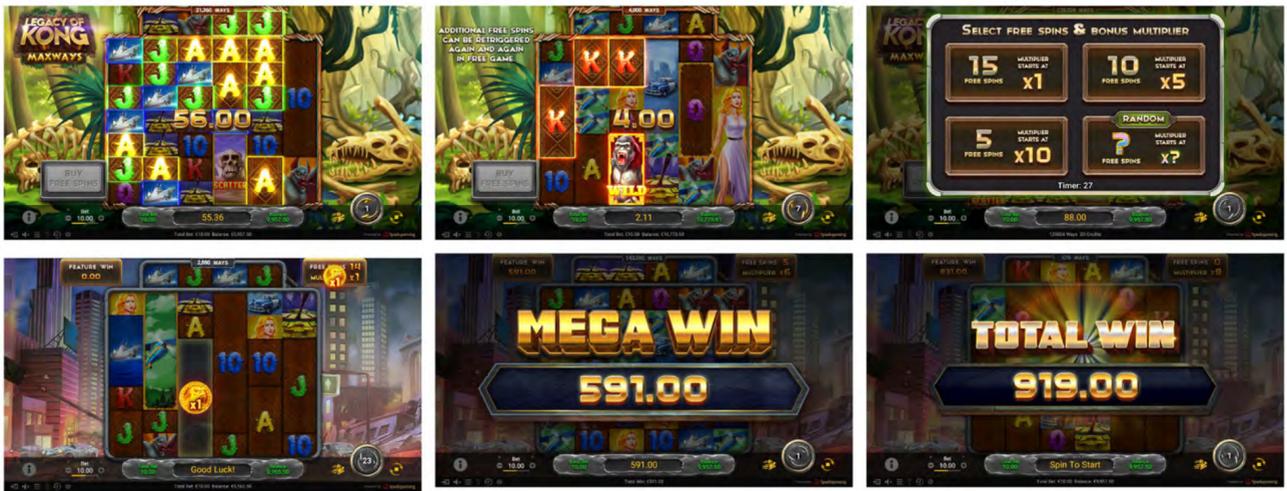

Kong and Anna met when Anna has lost her way in a filming set of her job at the prehistoric island. The giant creature has shocked Anna and she runs away out of fright. Then Anna mistakenly step into a mutated monster’s territory and Kong saved her from danger.

The human society are surprised about the monster and spend a fortune to capture Kong back to the modern world for scientific examination. Hence, the subject went out of control. There are 200,704 ways for Kong to escape from the city, but unfortunately the armed forces have received command to fight against the uncontrollable WILD beast.

Will you help Anna to guide Kong back to where he belongs?
