## GAME DESIGN

### Game Theme and Graphics

Welcome to 50 Red Hot 7 Clover Link Edition™! It is a 50 lines, 5 reels / 3 rows game. Don't miss out on your chance to hit 2 jackpots. In the Clover Link Edition you can enter the CLOVER FEATURE by hitting 5 or more Clovers. Collect as many Clovers as you can while in the CLOVER FEATURE and get a great credits reward.

### Main Game

The aim of 50 Red Hot 7 Clover Link™ is to line up five identical symbols next to each other from left to right across 50 fixed win lines. A minimum combination of three matching symbols starting from the leftmost reel pays out. The Wild symbol can appear on every reel to substitute all symbols except the Scatter to form winning combinations. There is a Scatter symbol in this game, which can appear on every reel. Most amazing is the chance to enter the CLOVER FEATURE, where you have 3 spins to collect as many Clovers as possible. With every new Clover, while in the CLOVER FEATURE, your respin count will be reset to 3. At the end of the CLOVER FEATURE all amounts on visible Clover symbols will be added together and paid out. If there is a full screen of Clover symbols the prize will be doubled, except a jackpot. There are 2 possible jackpots to win while in the main game and in the CLOVER FEATURE.
