MARKETING OVERVIEW

Joining the fantastic 4096 range of Big Time Gaming slots, Wild Flower follows in the footsteps of Danger High Voltage, The Final Countdown and Lil Devil.

Wild Flower takes all of the above to the extreme with a ferocious feature choice and the introduction of our brand new MEGASCATTER™ system.

Once again we use the high octane sounds of The Cult, whilst the games narrative leans into the mythology of adult fairy tale. With top pays from a Purple Wolf and a mystical Red hooded witch, the scene is set for one of our most volatile 4096 games yet. The backdrop is the end of a never ending winter, the curse of eternal frost has been placed over the land. Players will need to break through the ice and snow and break the curse so that the wild flowers can bloom through the forrest once again bringing big wins, to the brave.

BTG's brand new MegaFeature will take players to new heights with the chance of a mammoth 12*12*12*12 central wild bank with "The Most Beautiful Thing" and an insane top ladder pay of x800 during the "My Heart Beats Faster" feature choice.

The game is a thrilling combination of what players know with Danger High Voltage and Lil Devil, with the additional chance of hitting the MegaFeature and taking the player on a white knuckle ride to glory!
