Sweet Bonanza Live Preview

The iconic **Slots Brand** from Pragmatic Play is coming to **Live Casino**

We are delighted to bring our players to the candy world of **Sweet Bonanza** with all its amazing and colourful features providing **Excitement, Volatility** and **Mega Multipliers** in a Game Show format featuring the **Sweet Bonanza Wheel**.

The new game has 6 betting positions on the wheel:

- 4x numbers – 1, 2, 5, 10
- 2x bonus games with the opportunity to **Win Big**

To further sweeten the wins, players will get a chance to qualify for even **Bigger Multipliers** when they land on the **Sugar Bomb** section of the wheel.

Studio

To make the game even more exciting, the game will be broadcasted from our **brand-new studio** where we mix physical elements with the **virtual 3D world** to give a more **Immersive** experience.

This **unique Sweet Bonanza Game Show studio** will feature **Dynamic Lighting**, **Bright Colors & Sounds**, and **Animation** that will adapt seamlessly to game events and stages.

The center piece of the studio is the **Sweet Bonanza Wheel**. On either side of the wheel, the game showcases a **Dedicated Area** for each of the **Bonus Games**.

Sugar Bomb **Booster**

As the Wheel lands on the Sugar Bomb section, a **Random Multiplier** of up to **10X** will be awarded and a **re-spin** of the wheel will be initiated.

If the player toggles-on the **"Sugar Bomb" Booster feature** the multiplier awarded can go up to **20X!**

CANDY DROP Bonus Game

One of the 3 Balls selected by the player will drop through the Virtual "Plinko" wall maze.

As the ball falls through the maze, it will collect randomly generated Multipliers on the Candy Drop wall.

At the end of the Bonus Round total winnings will be awarded.

SWEET SPINS Bonus Game

Landing on the Sweet Spins section awards players 10 Free Spins!

This bonus game is played live on the big screen and works in the same way as the Sweet Bonanza slot game using all its principles and mechanics.

During Sweet Spins, all players need to do is sit back and enjoy the thrill and Volatility of this Bonus Game
