

## GAME DESCRIPTION

Ladies and gentlemen, we are pleased to introduce tonight's absolute star, the one with the red jester's hat and the big grin on his face - the incredible and elusive Joker himself! And tonight he prepared a special show just for you! Indulge into the bright and nostalgic kaleidoscope of classical slot machine. Fruits, bars, sevens, crystals and jokers. All of those are sure to take you on exciting trip in Platipus' new game - Joker Chase.

True to his style, for this event, the magnificent Joker has prepared more than just flashy colors. The game is loaded with bonuses! For starters, finding at least three gems will award you with 6 free spins, and should you get more crystals during the free spins, you will get more Free Spins in your Free Spins! Amazing! But should you truly give a joker run for his money, you may find yourself collecting 6 or more coins in one spin, and should you get that the legendary Respin Feature will activate! You will be granted with 3 respins, during which each coin will reveal its value - monetary prize or one of four Jackpots! But here's a catch the value is paid out only when another bonus symbol lands anywhere on the reels during three of the awarded respins. But here's a twist! You can get all those bonuses over and over again for as long as you land bonus symbols during the respins! What's more, should you land all 15 of the coins simultaneously, all bonuses will be paid straight away again and award GRAND JACKPOT on top of it! Are you already laughing with the infectious laugh of Joker when thinking of all the fantastic things that can happen to you during your game? Are you prepared to chase for the magnificent joker in hunt of his bonuses? Then newest Platipus' game - Joker chase is definitely for you!
