SpinPlay Games is excited to introduce the 2nd game in our wildly successful Amazing Link™ series, Amazing Link™ Apollo, a 20 payline, 5x3 slot game with multiple features.

Set off on an epic adventure with the famed Ruler of the Sun Apollo, armed with golden arrows and ready to conquer noble features such as Amazing Link™, Pick Feature, and Choose Your Free Spins with Amazing Reels that frequently trigger the Amazing Link™ feature!

Amazing symbols, the real hotshot of the game, return in Amazing Link™ Apollo as blazing golden suns. Landing six of these will trigger the Amazing Link™ feature, where the player has the chance to fill the screen with potentially epic cash prizes. The goal of the Amazing Link™ feature is to land more Amazing symbols during the respins and win big! All Amazing symbols that land will lock for subsequent respins. The number of respins remaining resets to 3 if at least one Amazing symbol lands on a respin. Players can win cash prizes, Mini, Minor, and Major on Amazing symbols. Fill all 15 reel positions with Amazing symbols to win the Mega plus all locked Amazing symbols for over 5000x!

Land the Temple symbol on reels 1, 3, and 5 to trigger Free Spins where players get to choose the volatility of their Free Spin session. Additional options are unlocked in subsequent Free Spin triggers. Available choices:

continued on page 4
