A warband of three Cossack heroes enters the dark forest, seeking revenge on the corrupted animals that have haunted their village. Join their raiding party in search of honour and adventure, step into the jaws of death, and emerge carrying the spoils of the hunt in Cossacks: The Wild Hunt.

A story-driven experience, with production values and voice talent that rival the best in videogames, Cossacks: The Wild Hunt is unlike any other slot game. Roman, the leader of the warband, is out to avenge his brother. Taras, the weaponsmith, brandishes master-crafted swords that can turn the tide of battle. And Yana, in touch with the spirit realm, moves silently through the trees to get the drop on her foes.

You'll experience every battle alongside them, with every suspenseful spin and every accompanying cascade, as the party embarks on the Wild Hunt, facing down the boar, the wolf, and the fearsome bear – all under the sway of the forest's eldritch magic. Treasures litter the forest floor, with every abandoned pack and every ancient chest holding the potential for a win of up to 10,000X your bet. And the woods themselves will shift around you, powered by WonderWays, creating up to 46,656 ways to win.

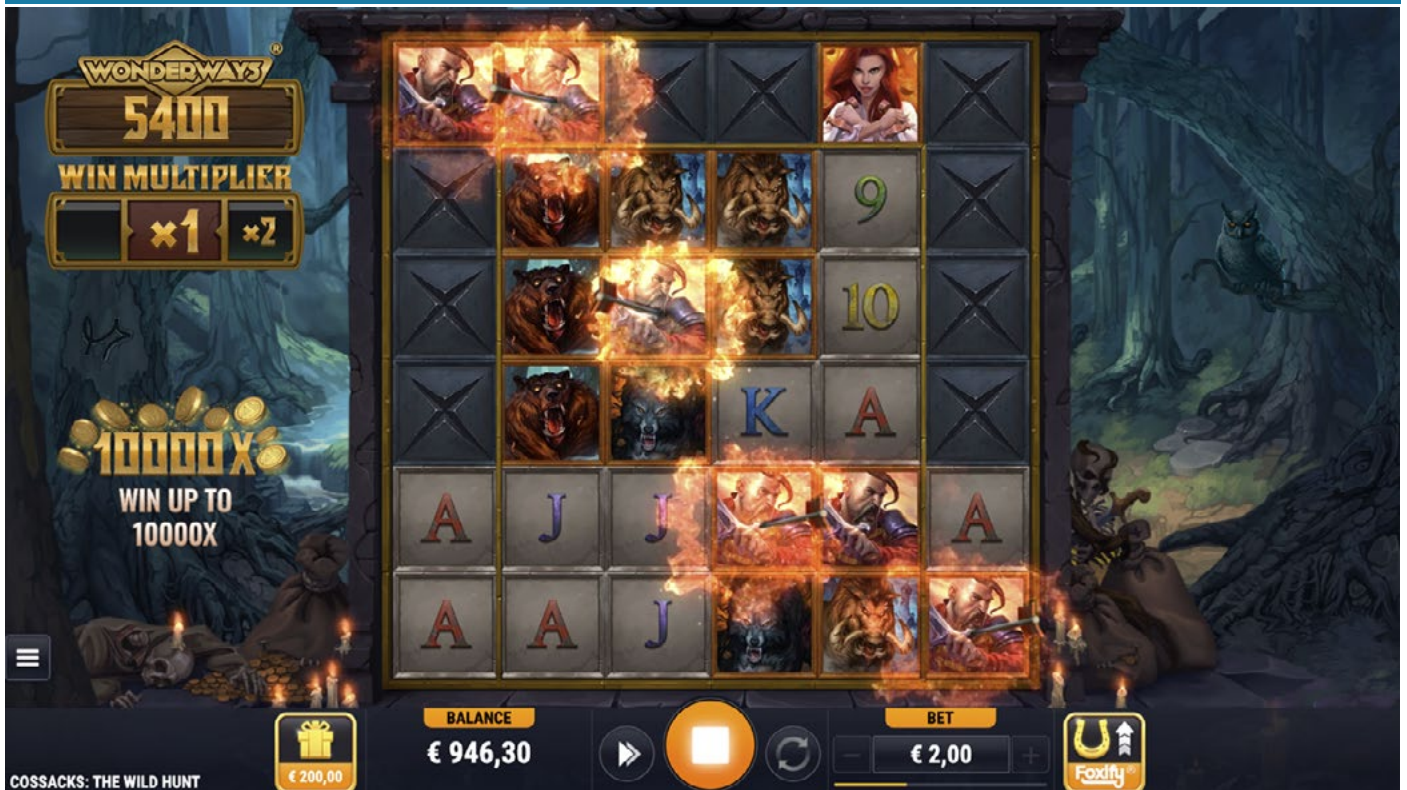

Every step into the forest reveals new dangers and new opportunities – from a sudden call to arms, with swords and arrows, to free spins with unlimited multipliers. Cossacks: The Wild Hunt is a deep, immersive game that blends high fantasy and high stakes to create an experience like no other.

BASE GAME FEATURE INFORMATION

FEATURE NAME	<b>TO ARMS!</b>
TRIGGER CONDITION	This feature can trigger in base game and free spins. It can trigger on any spin, but not on a respin
DESCRIPTION	Arrows will hit the reels and change some symbols to award a 6 of a kind win. Other winning combinations may appear together with the 6 of a kind.

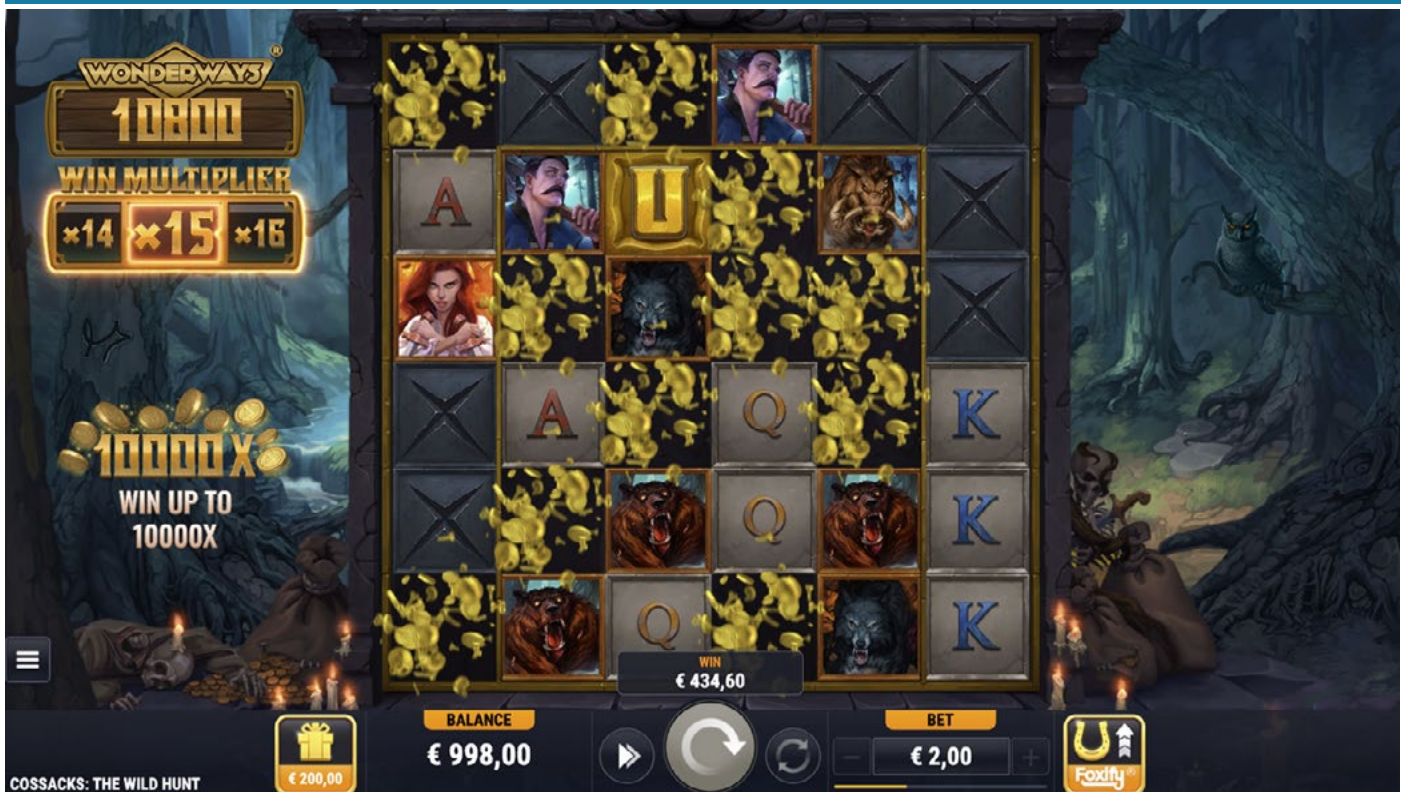

## BASE GAME FEATURE INFORMATION

FEATURE NAME	<b>RELEASE THE WILDS</b>
TRIGGER CONDITION	This feature can trigger in base game and free spins. It can trigger on any spin, but not on a respin.
DESCRIPTION	Blades can smash into the reels on any spin. Any symbols that are hit will change into wilds and create winning combinations.

BASE GAME FEATURE INFORMATION

FEATURE NAME	<b>WONDERWAYS®</b>
TRIGGER CONDITION	In each spin, a random number of Blocker symbols will land on the outer zone. This will dictate the number of Wonderways® active for that spin. The maximum number of active Wonderways® for one spin is 46656. Every win triggers a cascade.
DESCRIPTION	Winning combinations are cleared from the reels and replaced with new random symbols. Symbols in the outer zone are also replaced with new random symbols on each cascade. Every cascade increments the win multiplier by 1. In the Base game the win multiplier resets to 1 after the first non-winning combination. In the Free Spins the win multiplier kept until the end of the Free Spins game.

## BASE GAME FEATURE INFORMATION

FEATURE NAME	<b>FOXIFY®</b>
TRIGGER CONDITION	This feature can be activated in base game only.
DESCRIPTION	The total bet is increased 5x. This feature does not affect symbol pays. All Blocker symbols are removed from the reels. The chances of triggering Free Spins are increased.

FREE SPINS FEATURE INFORMATION

FEATURE NAME	<b>BUY FREE SPINS</b>
TRIGGER CONDITION	This feature is available in base game only.
DESCRIPTION	8 Free Spins can be bought with a pre-set multiplier. A 1x, 10x, or 20x multiplier can be selected, at a cost of 100x, 250x, or 400x the total bet respectively. The Foxify® mode does not affect the cost of the feature and the Foxify® mode will deactivate when Free Spins are bought.

FREE SPINS FEATURE INFORMATION

FEATURE NAME	FREE SPINS
TRIGGER CONDITION	Scatters appear in the inner zone only. 4 scatters forming the word "HUNT" on reels 2, 3, 4 and 5 will activate 8 Free Spins. Every extra Scatter in the base game will award 2 extra Free Spins.
DESCRIPTION	Free Spins are played at the triggering bet and start with a 1 win multiplier. Every win will increment the win multiplier by 1. The win multiplier is unlimited and persistent until the end of the Free Spins. Axe symbols can appear on reels 2, 3, 4 or 5 and every Axe symbol that lands is collected. 3 extra Free Spins will be awarded for every 4 Axe symbols collected.

PLAYING THE GAME AND PAYOUTS

- This is a 6 reel 6 row video slot game.
- The objective of the game is to spin the reels so the symbols land in different combinations. Winning combinations are highlighted on the reels and a payout is awarded.
- The reels are divided into the outer reel and inner reel zones.
- The outer zone includes reel 1 and 6, and the top row of the reel grid. The inner zone includes reels 2, 3, 4 and 5.
- This game includes up to 46656 ways.
- A way is a pattern of adjacent symbol positions that runs across the reels.
- A win is awarded when matching symbols land adjacent to each other in this pattern. Way wins run from left to right, starting from the first slot reel.
- Each spin played costs a total bet amount.
- The payout value is based on the winning combination formed.
- The Paytable displays the payout for each symbol combination based on the current bet.
- The award is multiplied by the number of symbols that occur per reel in the winning combination. The total payout is the sum of all way wins resulting from a spin.
- Way win payouts are based on the initial bet placed.
- Only the highest winning combination is awarded per symbol combination.
- Wilds appear in the inner zone only.
- Wilds can substitute for other symbols to complete winning combinations. Wilds can substitute for all symbols except Scatter symbols.
- Blocker symbols appear in the outer zone only.
- Blocker symbols do not pay anything and do not substitute for other symbols.

PAYTABLES

	Roman	Taras	Yana	Bear
+6	€ 3,00	€ 2,40	€ 1,60	€ 1,60
+5	€ 2,00	€ 1,60	€ 1,20	€ 1,20
+4	€ 1,60	€ 1,20	€ 1,00	€ 1,00

	Wolf	Bear	Ace	King
+6	€ 1,20	€ 1,20	€ 1,00	€ 1,00
+5	€ 0,80	€ 0,80	€ 0,70	€ 0,70
+4	€ 0,60	€ 0,60	€ 0,50	€ 0,50
+3	€ 0,40	€ 0,40	€ 0,30	€ 0,30

### Paytable

	Queen	Jack	Ten	Nine
x6	€ 1,00	€ 0,80	€ 0,80	€ 0,80
x5	€ 0,70	€ 0,50	€ 0,50	€ 0,50
x4	€ 0,50	€ 0,30	€ 0,30	€ 0,30
x3	€ 0,30	€ 0,20	€ 0,20	€ 0,20

Game interface showing balance at € 950,30 and bet at € 2,00.

### Paytable

#### Wild Symbol

Wilds can substitute for other symbols to complete winning combinations. Wilds can substitute for all symbols except Scatter symbols.

#### Blocker Symbol

Blocker symbols do not pay anything and do not substitute for other symbols.

Game interface showing balance at € 950,30 and bet at € 2,00.

### Paytable

#### WONDERWAYS®

The reels are divided into the outer reel and inner reel zones. The outer zone includes reels 1 and 6 and the top row of the reel grid. The inner zone includes reels 2, 3, 4 and 5.

In each spin, a random number of Blocker symbols will land on the outer zone. This will decrease the number of Wonderways® active for that spin. Maximum number of active Wonderways® for one spin is 4655.

Game interface showing balance at € 950,30 and bet at € 2,00.

### Paytable

#### Win calculation

Wins are awarded on left to right adjacent symbols. The award is multiplied by the number of symbols that occur per reel in the winning combination.

Every win triggers a cascade. Winning combinations are cleared from the reel and replaced with new random symbols. Symbols in the outer zone are also replaced with new random symbols on each cascade.

Every cascade increments the win multiplier by 1. The win multiplier resets to 1 after the first non-winning combination.

Game interface showing balance at € 950,30 and bet at € 2,00.

### Paytable

#### To Arms!

Arrows can fly off the reels on any spin. Any symbols that are hit will change and create 6 of a kind mix. Other winning combinations may appear together with the 6 of a kind.

#### Release The Wilds

Blockers can smash into the reels on any spin. Any symbols that are hit will change into Wilds and create winning combinations.

Game interface showing balance at € 950,30 and bet at € 2,00.

### Paytable

#### Free Spins

#### HUNT

Scatter symbols

4 Scatters forming the word "HUNT" on reels 2, 3, 4 and 5 will activate 8 Free Spins.

Every extra Scatter in the base game will award 2 extra Free Spins. Free Spins are played at the triggering bet.

Game interface showing balance at € 950,30 and bet at € 2,00.

### Paytable

#### Free Spins Win Multiplier

Free Spins starts with a 1x win multiplier. Every win will increment the win multiplier by 1. The win multiplier is unlimited and persistent until the end of the Free Spins.

#### Extra Free Spins

Any symbols can appear on reels 2, 3, 4 or 5. Every Aze symbol that lands is collected. 3 extra Free Spins will be awarded for every 4 Aze symbols collected.

Game interface showing balance at € 950,30 and bet at € 2,00.

### Paytable

#### Buy Free Spins

Activate the Buy Free Spins feature to instantly trigger 8 Free Spins. Choose to buy Free Spins with a 1x, 10x or 20x starting multiplier. The FoxyB® mode does not affect the cost of the feature. The FoxyB® mode will deactivate when Free Spins are bought.

#### FoxyB®

Activate the FoxyB® mode during the base game to remove all Blocker symbols from the reels and increase your chances of triggering Free Spins. FoxyB® will increase your bet 5 times, and will not increase the value of paying symbols.

Some settings and features may not be available in this game.

Game interface showing balance at € 950,30 and bet at € 2,00.

## BUSINESS REASONS

*Cossacks: The Wild Hunt* is a grounded, gritty take on traditional high fantasy, an alternative to the well-worn historic themes that have dominated slot games, and a story-driven experience that mixes innovative features and unmatched production values to create a slot like no other.

Within the shadows of a haunted, ever-shifting forest lurk three beasts, corrupted by ancient magic, and near their lairs lie the treasures dropped by past raiding parties. *Cossacks* invites players to join a three-person warband to reclaim those riches and to hunt the animals that have transformed each of their lives. With the potential for wins up to 10,000X the player's total bet, and Foxium's patented WonderWays technology seamlessly shifting the woods around the heroes to create up to 46,656 ways to win, *Cossacks* offers operators the opportunity to add both a completely unique theme and the latest in mechanical innovation to their portfolios.

The immediate draw of *Cossacks* lies in its presentation, artwork, and vivid characters. Roman, the leader of the warband, and the face of the game, is out to avenge his brother. Taras, the weaponsmith, brandishes master-crafted swords that can turn the tide of battle. And Yana, in touch with the spirit realm, moves silently through the trees to get the drop on her foes. All are fully voiced, with Roman being played by Michael Schwalbe, who players will recognise from high-calibre videogames like *Half-Life: Alyx*. And the hunt plays out with an evocative soundscape of clashing sword, crossbow bolts, and haunted whispers, while a score written for the game by legendary videogame composer Jill Aversa accompanies the rising and falling action.

*Cossacks: The Wild Hunt* brings every base game spin to life with cascades, win multipliers, and randomly-occurring features that change the course of battle – turning non-winning combinations into 6-of-a-kind wins, or calling in additional wild symbols to create wins. Free spins, with unlimited multipliers, trigger on the appearance of four scatter symbols on the inner reels, and during free spins Roman and his warband throw axes at a visible target, with sufficient axes collected conferring additional free spins.

Playable on almost any device, in any orientation, *Cossacks: The Wild Hunt* ushers in a new era of slot games that equal the presentation and storytelling of triple-A videogames at the same time as appealing directly to seasoned casino gamers. Players will never look at storytelling in slots in the same way again after they step into the jaws of death, and emerge carrying the spoils of the hunt in *Cossacks: The Wild Hunt*.

## SUGGESTED OPERATOR PRESS RELEASE

**Foxium Raises The Bar Of Storytelling In Slots With *Cossacks: The Wild Hunt***

(7 September 2021, Tallinn, Estonia) – Independent studio Foxium is proud to announce the release of *Cossacks: The Wild Hunt*, a new, immersive, experience that blends the suspense of online slots with the production values of triple-A videogames to create an experience unlike any other.

*Cossacks* tells the story of a warband of warriors whose homes have been ravaged by wild animals, corrupted by ancient magic. Together, the trio of Roman, Taras, and Yana will enter the ancient forest armed to the teeth, prepared to hunt formidable boars, wolves, and the undying bear.

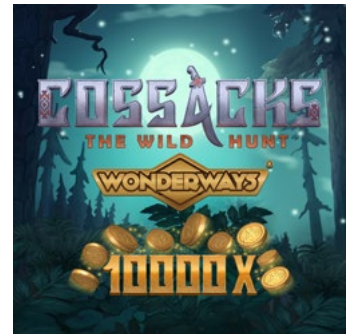

As they escort the player further, the woods will shift around them to form new paths, making new use of Foxium's patented WonderWays technology to transform the 6-reel, 6-row inner and outer reel zones and create up to 46,656 ways to win.

All Foxium games distinguish themselves through incredible artwork and music, but *Cossacks: The Wild Hunt* takes this signature combination of playability and presentation to new heights. A soaring soundtrack was composed specifically for the game by Jillian Aversa, who has scored critically acclaimed videogames such as Halo, Civilization, and God of War. And Roman, the Cossack warband leader and the personality of the game, is voiced by Michael Schwalbe, who players will recognise from global franchises like Transformers and Half-Life: Alyx.

Thanks to WonderWays and a raft of other features, every spin in *Cossacks* is unique. Blocker symbols can fall in the outer reels to prevent the heroes from making progress, but the Foxify buy-in feature will banish them, and the *Cossacks'* weapons can turn the tide of battle by creating 6-of-a-kind wins or wild combinations at random. And with every winning combination triggering a cascade, the possibility increases for epic wins – each heralded by a war cry – and free spins with potentially unlimited multipliers.

"Foxium was founded with the goal of advancing the standards of audiovisual presentation and storytelling in online casino, and *Cossacks: The Wild Hunt* is the latest evolution of that philosophy," says Foxium CEO Åke André. "Each of our three heroes has a compelling backstory, all of them are fully-voiced, and I believe players will have their expectations exceeded by the way *Cossacks* looks, sounds, and plays. From its roster of high-impact features, and its high-profile voice cast and soundtrack, to the intuitive way the forest grows and shrinks with WonderWays, *Cossacks* represents everything an immersive slot game should be."
