GAME DESIGN

Game Theme and Graphics

The Diamond Link™ Series is back to bring you a "cool" Christmas! A muscular, tattooed Santa, together with his dangerous-looking pet Reindeer, makes his rounds delivering mysterious presents and Diamonds from among his riches. According to the tradition, if six or more Diamonds are collected on a single spin, Elf helpers will open the door to Santa's village full of wealth.

Main Game

Diamond Link™: Mighty Santa is played on 5 reels and 3 rows, with 25 lines always in play.

Present symbols can randomly show up on every spin and might turn into the exact symbols you need for a huge win.

If you can find 6 or more Diamonds in one spin, you will be granted a trip to the stars with 3 Free Spins - the Diamond Link™ Feature!

Fear not, if you think 6 Diamonds are hard to find. Santa will grant you a second chance every time you manage to find only 5 of them. After the current winnings of the spin are paid out, all 5 Diamonds will lock in place and all reels will re-spin to give you a second chance to find the 6th Diamond.

During the Diamond Link™ Feature, each new Diamond will reset the Free Spins counter back to 3 and you will be one Diamond richer. Different to previous Diamond Link™ games, this time Diamonds can award normal wins, Jackpots or the following Features: Wild Spin, Sticky Spin or Colossal Spin. The more of them you find, the better the chances for great wins.

If there are no Diamonds around, there are always Santa symbols nearby, which if you are lucky, will cover up the whole screen and grant you an immediate win of 750 times your stake! This can happen on each spin.

Feature

To travel to the stars, 6 Diamonds have to be collected for the Diamonds progress meter. Once there, you will get 3 spins to collect a new Diamond. If you can find one, the stars will reset your available spins back to 3 and you will be able to search for more. If you are the ONE, then you will fill all 15 positions with Diamonds and the stars will grant you access to the biggest win in this game: the Grand Jackpot. But fear not, there are other Jackpots to be won on each trip to fill your pockets.
