

PLAY'n GO

RELEASE DATE: 19TH AUGUST.

# AGENT OF HEARTS

The Queen of Hearts as made you her Agent of Hearts.

Why? As we all know, the Queen keeps her heart safe under lock and key as it holds the secrets to Wonderland's wealth and prosperity. But, unfortunately, it turns out the keys have been stolen!

Your mission (should you choose to accept it) is to return the keys to their rightful place. In exchange, the Queen has agreed to bestow a share of Wonderland's enormous wealth.

Non-winning spins can trigger random Wilds offering small wins throughout the game. Four of Wonderland's well-known characters: the Mad Hatter, Cheshire Cat, Caterpillar and Dormouse work their magic across the grid as they transform and destruct symbols to help you on your mission to release the Mega Wild and free the Queen's heart!

Just don't lose your head along the way.
