SET SAIL FOR RAGING REWARDS

Ragnarok rises again in Relax's roaring release Volatile Vikings. Seafarers storm through fire and ice in this feature-loaded 6x5 slot with a potential loot of 20,000x bet!

The thrills begin at the very first spin, when the snow settles on 2 Multiplier Reveal symbols, each one bearing a counter and multiplier value. The countdown is triggered by a winning cascade on the same spin and activates the multiplier when it hits 0.

This storm is full of surprises, 3 chained chests burst open to reveal bonus symbols that unleash the fires of Free Spins. Amongst the flames, more chests mean more free spins while the Multiplier Reveal feature gains a red-hot dimension, transforming into a persistent symbol and adding up any revealed multipliers on screen.

Players better get ready for the raiding, trading and rough seas that lie ahead, it's time to set sail for raging rewards.

FEATURES

MULTIPLIER REVEAL

Each spin starts with 2 Multiplier Reveal symbols, one on reel 3 and another on reel 4. Each of these symbols has a counter and a multiplier on it.

The counter will decrease by 1 for each winning cascade in the same spin.

Once the counter reaches 0, the multiplier is activated & will destroy any adjacent symbols to it (max of 8), making more room for new symbols to drop in.

At the end of the spin, the sum of all collected multipliers will be applied to the total win.

FREE SPINS

Landing 3 Bonus symbols in the main game will trigger 6 free spins and every additional bonus symbol will award +1 spins.

During the Free Spins feature, the Multiplier Reveal feature will

add up any revealed multipliers as well as becoming a persistent multiplier, which applies at the end of each spin.

Each Bonus symbol landing in the free spins will also award an additional spin.

WIN UP TO 20,000X YOUR BET!

If the sum of all wins achieved in free spins reaches 20,000x bet or higher, the player is awarded 20,000x bet for the whole round.
