

3 WONDERS Witches Wild Fortune

Witches Wild Fortune introduces a new twist on Boomerang Studios' popular 3 Wonders mechanic. Instead of randomly unlocking features, 3 SCATTER symbols trigger 12 Free Spins, with the unlocked features determined by the type of SCATTER symbols that appear on the triggering spin. Unlock one, two, or all three features:

LOCKIN REEL – Locks up to 5 adjacent reels together, creating more chances for massive line wins.
SYMBOL UPGRADE – Upgrades a low-value symbol into a premium symbol to boost winning potential.
EXPANDING WILD – Any WILD that lands expands to fill the entire reel for powerful winning combinations.

Unlock all three features at once to unleash the witches' strongest spell and brew your biggest wins, in Witches Wild Fortune!

Additional information

- Pressing the Space bar will initiate Spin.
- If your game is interrupted during play, you may replay the game round after restarting the game within a period of time set by the provider, after interruption. After that time, any winnings from an interrupted game will be added to your account. If you choose to skip the replay, your win will be added to your balance immediately.
- In any situation where the replay functionality is not sufficient, please contact the support team of your gaming website.
- In the event of malfunction of the gaming hardware/software, all affected games, bets and payouts are rendered void and all affected bets are refunded.
- The expected payback reflects the return across a very large number of spins by numerous players over an extended period of time and cannot be affected by the player's strategy.

All dates and times are shown in Central European Time (CET).
