**Buffalo Stack'n'Sync™**

**Game ID: 1176/1177/1778/1179**

## GAME DESCRIPTION

The great buffalo, soaring eagles and grass swaying in the wind. These are the iconic themes of the Great Plains of North America, the essence of which is captured in this re-imagining of the classic Vegas slot. **Buffalo Stack'n'Sync™** is a 5x4 grid slot with two awesome bonus games and a max win of up to 10,000x!

## FEATURES

### STACK'N'SYNC™

Land Stack'n'Sync™ symbols to stack any paying symbol on the reels. A stack of 60 symbols fills the whole reel! Fill an entire reel with the same symbol and sync all reels for massive wins!

The first time in a round that one or more Stack'n'Sync™ symbols land, the reels where they land will be filled with a stack of 15, 30, 45 or 60 symbols of one kind. Only 1 Stack'n'Sync™ symbol can land on each reel in a round. For each Stack'n'Sync™ symbol that lands 1 respin is awarded. If additional Stack'n'Sync™ symbols are landed during the respins, those reels are synced to the already stacked reels which copies the symbols from the stacked reel and makes the reels stop in the same position

### STAMPEDE REELS

When a full reel of buffalo symbols land together and at least one of the symbols is part of a winning payline they activate a Stampede Reel with a multiplier up to 100x! The Stampede Reel multiplier applies to any winning payline with buffalo symbols that connects to the Stampede Reel. If more than one Stampede Reels are part of the same winning payline, their multiplier values will be added together before being applied to the win.

The possible multiplier values are: 1x, 2x, 3x, 4x, 5x, 10x, 15x, 20x, 25x, 50x, 75x, 100x

### BONUS GAMES

Buffalo Stack'n'Sync™ offers two bonus features triggered by landing the bonus symbol. Landing 3 bonus symbols awards the Free Spins feature. Landing 4 bonus symbols awards the Stampede Spins feature.

#### Free Spins

Bonus game with 10 free spins. This feature offers better odds of landing the Stack'n'Sync™ symbol. In this bonus the high-paying animal symbols are more likely to stack than in the base game. This increases the chances of triggering a large stack of buffalo symbols and getting the biggest wins!

#### Stampede Spins

Bonus game with 10 free spins. This feature replaces the normal reels with reels that only have *non-paying skull symbols* and buffalo symbols. Every time that the Stack symbol lands on a reel, 5 - 60 buffalo symbols will be added to that reel to *replace skull symbols*. For each Stack symbol that lands, 1 additional free spin will be awarded. Land several Stack symbols on each reel to fill them with buffalo symbols for huge wins!

### WILD SYMBOL

The Wild symbol substitutes for all paying symbols.
