Microgaming is committed to delivering quality gaming content to its operators. Based on the success of one of our existing popular games, inspiration struck to amalgamate two of our popular products, Thunderstruck II and Mega Moolah and create an exciting new twist. What better way to showcase our largest progressive Jackpot network.

Capitalizing on the popularity of Norse mythology, we continue to follow the journey of Thor, Norse God of Thunder, with his fellow gods in the mighty realm of Asgard. Add to this the anticipation of possibly winning one of our four progressive jackpots, giving you access to some life-changing Mega Moolah. This game now includes a Progressive Jackpot Wheel Bonus with a guaranteed Jackpot Award once activated!

The cast of Norse gods feasting together in Valhalla are back with a host of upgrades, combined with beautifully painted graphics and the original soundtrack. The culmination will make one of the most successful video slots even bigger. In addition to this, the possibility of a Mega Moolah progressive jackpot is enticing.

This 243 Ways game features a multitude of bonuses, from the fan favourite electric Wildstorm feature just waiting to turn up to 5 reels Wild, to the sequence of unlockable Free Spins features in the Great Hall of Spins. You may be surprised by a random selection for a chance to trigger the Bonus Wheel feature where our enticing Progressive Jackpots await. Spin the wheel for a chance to win one of the 4 Mega Moolah progressive jackpot prizes on offer.

Player Achievements will once again allow the casino operators the opportunity to run multiple in-game promotions which can be monitored and communicated real time with players, allowing for an exciting and promotional platform to maximise player retention and acquisition.

SUGGESTED OPERATOR PRESS RELEASE

AN ELECTRIFYING UPDATE TO A NORDIC ADVENTURE

A decade since Thunderstruck II first pulled players in with its dark allure and Mega Moolah with its much-loved progressive jackpots, we're thrilled to be taking these brands to a whole new level. Thunderstruck II brings all the popular classic electrifying features from the original game combined with the four-tiered Mega Moolah Jackpot Bonus. Here lies an extra layer of excitement as players wait with bated breath to see the symbols spin and land to potentially activate the Jackpot Bonus Wheel. Thunderstruck II with its 243 Ways video slot is still an amazing visual feast with loads of winning opportunities on offer.

Our favourite Nordic gods dining together in the great halls of Valhalla, each with their own history that players can access from the paytables. The beautifully painted graphics along with the original soundtrack provide a truly immersive gaming experience that is both captivating and compelling. Combine this with the exciting Progressive Jackpot and achievement opportunities and you have a slot game that will keep players spinning late into the night. At any moment the Bonus Wheel feature can trigger for you to Spin the wheel for a chance to win one of the 4 Mega Moolah Progressive Jackpot prizes on offer.

This 243 Ways game boasts a multitude of thrilling features, from the fan favourite electric Wildstorm feature which can trigger randomly at any time during the game and turn up to 5 reels Wild, to the sequence of Free Spins features buried deep within Great Hall of Spins which once all have been unlocked, will provide players with a wealth of choice and opportunity.

The Great Hall of Spins is opened by collecting 3 or more Scatter symbols on the reels. Unlocking the chambers of the Nordic gods. First the player meets, Valkyrie, the maiden of Valhalla, delivering 10 retriggerable free spins laced with a 5x multiplier.

The next bonus game introduces Loki, god of mischief, who offers 15 free spins with a Wild Magic feature transforming symbols into additional wilds.

Odin, ruler of Asgard, generously grants 20 free spins to players who have achieved previous bonuses. Sending out his ravens, Huginn and Muninn, flying into symbols converting them into multipliers. If both ravens land on the same symbol, a 6x multiplier bonus is awarded.

Lastly, Thor the mighty god of thunder himself, brings 25 free spins to the player accompanied by a rewarding Rolling Reels™ feature with up to a 5x multiplier.

Will you be lucky enough to trigger the chance at the Bonus Wheel? Higher bets will increase chances to trigger the Jackpot Bonus and transport you the player to another world where anticipation is at its peak as the player spins the Wheel to reveal their fortune. This delivers the opportunity to win on four different levels dependent on the outcome of a spinning wheel - the mini level starts at 10.00, minor at 100.00, the major at 10 000.00 and the mega a bank-busting 1 million.
