

REAPERS

 PRINT

A RICH NEW WORLD

In a distant galaxy, on a planet colonized by Earth eons ago, an old energy facility is overrun. Luckily the Reapers at your side were designed for this kind of mission.

In a game that upends the very core of slot gaming, Print Studios guides the daring enthusiast to a whole new level of gambling excitement.

Sparing no expense to deliver an intergalactic adventure in an intuitive package, REAPERS grants more dynamic and deep gameplay than any Print slot to date.

DEPLOY THE REAPERS

The Reapers are semi-automatic drones responsible for collecting valuable energy cells and progressing through the stacked symbol grids blocking the entrance to the main building.

Each Reaper can unlock a unique special ability, creating endless variations of game play.

BONUS GAME

The mysterious main building looms closer with each win. Reaching it triggers the Bonus game.

In this rare but highly rewarding bonus the symbol wins come at lightning speed. Plow through 75 grids and collect as many symbols as possible to progress to the next level. Each new level grants another 75 grids with one symbol removed. Reach the very end for 75 grids with only top payers!
