About Red Tiger Jackpots

Like all Red Tiger slots, Zillard King may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 94.72% RTP and adding a 1% jackpot contribution gives an overall RTP of 95.72%. The RTP of the jackpot contribution itself is 100%.

FEATURES IN THE GAME

GOLD COINS

As long as there are still Zillard Wild upgrades to be unlocked, Gold Coins may appear in the bottom right-hand corner of any symbol on the reels. If they land on the same spin as a Zillard Wild they are collected and contribute to the Zillard Wild Progress Bar.
