GAME INFORMATION

The world-renowned magician, the Great Albini returns! After a spell-binding and mind-bending tour all across the world, the Great Magician and his stunning co-star Lily vanished, the very same way they'd made their first great entrance; in a puff of purple smoke! The world wondered, "where-o-where has the Great Albini gone?" and "will he ever return?"

When posters for The Great Albini's Spectacular Show appeared, out of thin air no less, excitement began to grow, but so too did doubt. Surely, this was just some elaborate prank by punks! Was the Great Albini really making his return? Those who believed in magic had faith that he would indeed return.

Night falls and the audience nestle into their seats, having hushed conversations in the dim theatre which buzzes with excitement, or perhaps it's magic... The door swings closed behind them, the couple sitting closest to the door leap out of their chairs in fright as all attention turns to the back of the theatre. Suddenly a cry erupts from the front. "Here's here! It's him!"

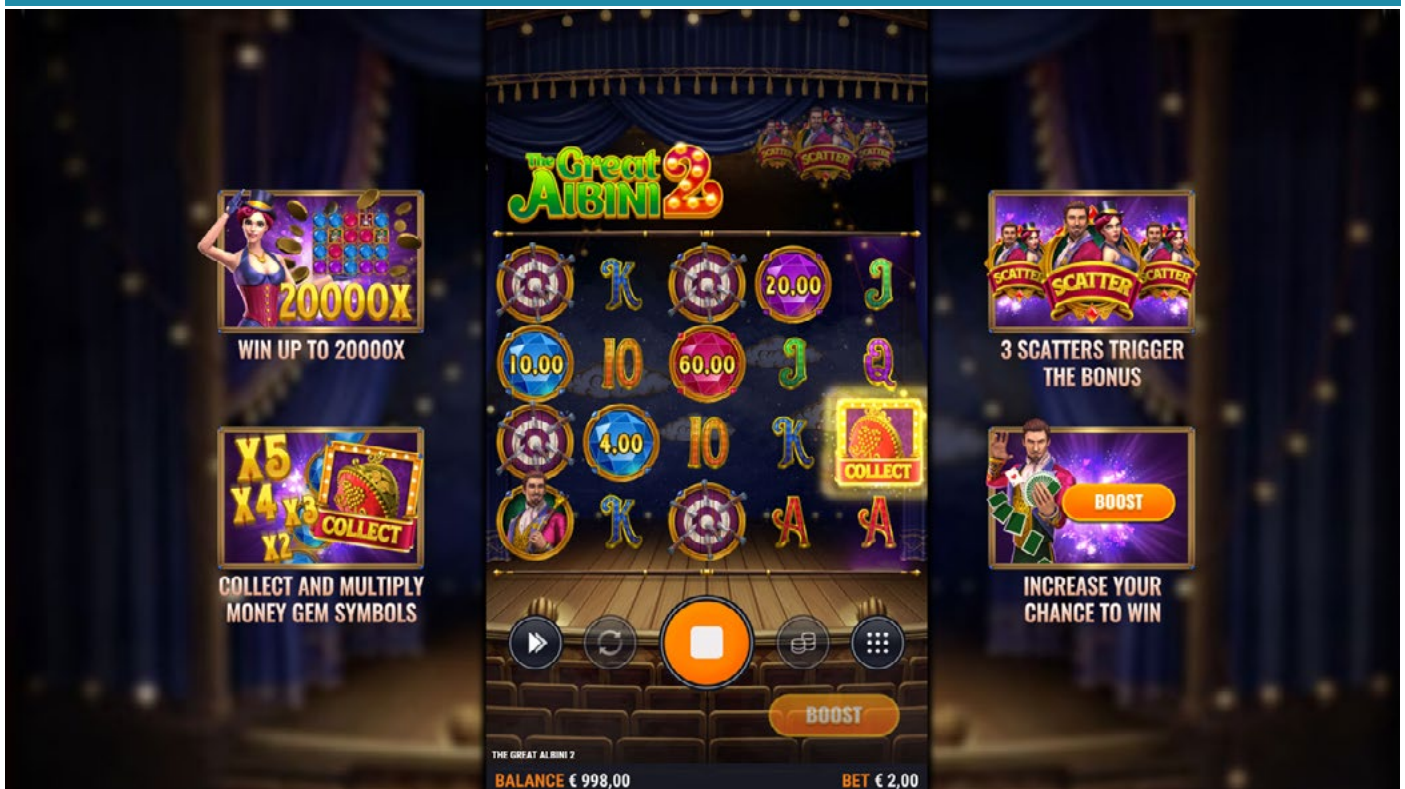

The lights on stage flicker dimly, just bright enough to see thick curls of yellow smoke crawl across the stage, then, in a clap of thunder and a bright flash, the Great Albini appears with his arms outstretched and a grin on his face. Lily appears next, coming in from stage-left, twirling across the creaky floorboards, the stage lights make her jewels and her smile sparkle even brighter.

The Great Albini clears his throat and the audience fall silent in awe. With three taps of his cane and a cheeky wink from Lily, the show begins with the promise of all kinds of new splendiferous spells and stunts. This will be a magical night you won't forget.
