FEATURES
**FREE SPINS
LINK&WIN™**

LINK&WIN™

At least 3 Coin and/or Diamond Symbols must land on the reels to trigger Link&Win™ feature. All reels are active during the feature. Each reel has initially 3 spins. When the spin resolves with a Coin Symbol, the spin counter of that reel where the Coin landed, is reset back to 3. When the spin resolves with a Diamond Symbol, the spin counter of all reels is reset back to 3. When the reel is filled with 4 Coin and/or Diamond Symbols, the respective jackpot is won. When there is a Diamond on each reel, Diamond Jackpot is won. All values from the collected Coin and Diamond symbols are summarised (and added to the jackpot(s) win, if applicable).

FREE SPINS WITH DYNAMITE & DIAMONDS!

Free Spins features a Special Symbol (dynamite). When it lands, it explodes the rock on that positions and it can reveal Cash Prize or Diamond symbol. When it lands on the position it has already exploded during this session, it can reveal a Plunger symbol. If Plunger is revealed, it explodes 2-5 more positions, that can reveal Cash Prize and/or Diamond symbols. When a Diamond symbol is revealed, it awards +1 Free Spin. If all 4 positions/rocks on the reel have been exploded, the respective reel jackpot is awarded additionally. If there are 5 Diamonds on the reels by the end of Free Spins, Diamond Jackpot is awarded.
