ABOUT DRAGON'S KEEPER

Protect the little dragon's and be worthy of a fiery reward up to 20,000x your bet!

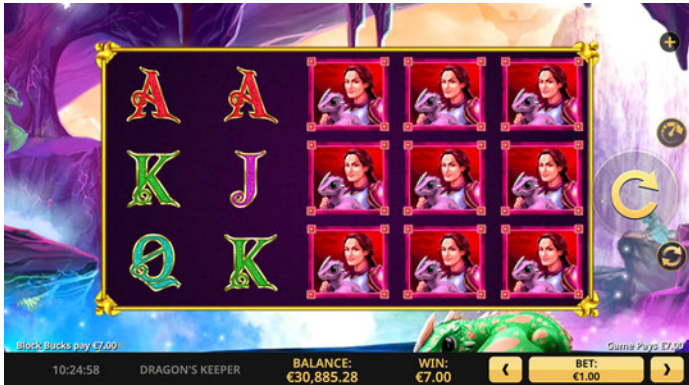

Example of Desktop Base Game with stacked Wilds

Dragon's keeper takes players into a medieval cartoony tale of warriors who's mission is to defend the dragons nest! It features Superstacks: same symbols stacked on a reel. Hit 3 or more consecutive stacked reels with the same high paying symbol, and activate the Block Bucks feature: a collection bonus with 3 different jackpots. Play 3, 5 or 10 free games and collect the little dragons symbols, or align 3 to 5 golden eggs to win a 40x, 400x or 20,000x jackpot!

Will these dragons give you fortune? Persevere in your quest and the rewards will match your bravery! Welcome to a high volatility but easy-to-play game, with 50 paylines, exciting bonus and jackpots!

FEATURES

Superstacks

Watch symbols stack all over a reel in almost every spin. This brings more chances of hitting a payline or activating the Block Bucks collection bonus!

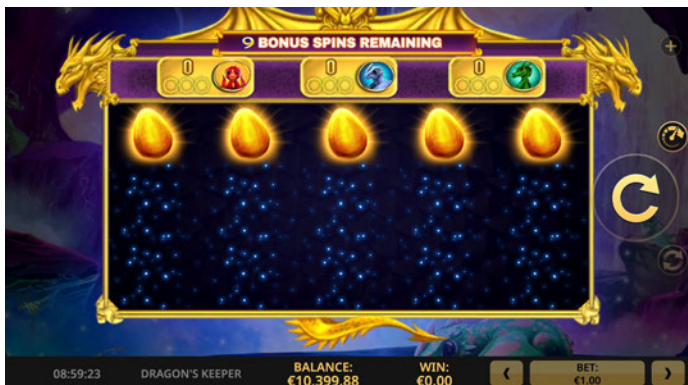

Superstacks can happen in 1 to 5 reels.

BONUS

3, 5 or 10 free games

3 to 5 consecutive same symbol stacked reels grant 3, 5 or 10 free games, and activate the Block Bucks collection bonus across 3, 4 or 5 reels depending on how many stacked reels activated it. In the left image, the bonus was activated with 5 stacked reels and activates all 5 reels.

Block Bucks collection bonus

Collect dragon's symbols across 3 to 5 reels, and increase your payout up to 200x your bet when you collect 30 or more red dragon symbols, 150x for 30 or more blue dragons, or 100x for 30 green dragons! 3 to 5 aligned golden eggs will grant a 40x, 400x or 20,000x jackpot!
