**Gladiator Legends**

**Game IDs: 1160/1161/1162/1163**

## GAME DESCRIPTION

Step into the Colosseum and prepare to fight the Gladiator Legends! Set in ancient Rome, this 5x4 grid game with payline wins is a carnage of ferocious fights, brutal beasts and massive multipliers! The sands of the arena run red and in the end the victors will emerge from the melee to claim their prize! With a win of up to 10,000 times your bet, this is a fight worth fighting. Are you not entertained?!

## FEATURES

### VS SYMBOL

VS symbols are a special symbol that expand into Duel Reels when activated. Each Duel Reel has two wild multipliers, each one representing a Gladiator. The Gladiators will duel with each other, and the surviving Gladiator's multiplier will be applied to the entire reel.

The VS symbols exist both in the base game and both bonus games.

### In the base game...

VS symbols only expand into Duel Reels if the reel would form a part of at least one winning combination when expanded.

In the base game, Duel Reels can be both wild with a multiplier, and without.

The possible multiplier values in the base game are 2x, 3x, 4x, 5x, 6x, 7x, 8x, 9x, 10x, 20x, 25x, 50x and 100x.

If more than one Duel Reel with a multiplier connects to a line win, the multiplier values will be added together before multiplying the value of the win. If you land one VS symbol on each reel so that all reels are Duel Reels, all reels will be treated as entirely WILD.

### In the bonus games...

In Champions of the Arena you can get 1x, 2x, 3x, 4x, 5x, 10x, 15x, 20x, 25x, 50x, 75x, 100x, 150x, 200x, 250x, 500x and 1000x.

In Unleash the Beast you can get 1x, 2x, 3x, 4x, 5x, 10x, 15x, 20x, 25x, 50x, 75x, 100x, 150x, 200x and 250x for the reels 1, 2, 4 and 5. The mid reel 3 the 'Beast Reel' you can get x2, x3, x4, x5, x10, x15 and x20.

### FEATURE SPINS

This game has the Feature Spins buy option that can be activated to guarantee a minimum amount of VS symbols per spin for a fixed bet multiplier cost.

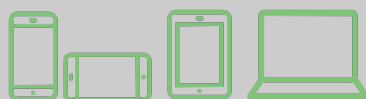

### BONUS GAMES

This game has two unique bonus game modes, **Champions of the Arena** and **Unleash the Beast**.

Champions of the Arena is activated by landing 3 ARENA-symbols at the same time.

Unleash the Beast is activated by landing 3 BEAST-symbols at the same time.

These are detailed on the next page.

## FEATURES cont.

### CHAMPIONS OF THE ARENA

This bonus game start with 3 free spins that reset every time you get a VS symbol. The meter next to the grid displays the number of remaining spins. The bonus game continues until you get three non-winning spins in a row.

In this bonus game you have Reel Multipliers above each reel. When a VS symbol lands and expands into a Duel Reel, the winning Duel Multiplier will replace the Reel Multiplier value above that reel. The current Reel Multiplier value will always be the top of the two multiplier values in a Duel on that reel.

An additional feature in this bonus game is the Multiplier Coin symbol. There are two types of Coins, a Normal Coin and an Epic Coin. When a Normal Coin lands on a reel, it will reveal a multiplier value of x2, x3, x4, x5, x10 and multiply the corresponding Reel Multiplier value with the value on the Coin. When an Epic Coin lands on a reel, it will reveal a multiplier value of x2, x3, x4, x5, x10 and multiply ALL Reel Multipliers' value with the value on the Coin.

When the bonus game ends, the total win will equal the sum of all current Reel Multipliers times the current bet level.

### UNLEASH THE BEAST

This bonus game start with 3 free spins that reset every time you get a VS symbol. The meter next to the grid displays the number of remaining spins. The bonus game continues until you get three non-winning spins in a row.

In this bonus game you have Reel Multipliers above reels 1, 2, 4 and 5. The Reel Multipliers accumulate the value of Duel Multipliers from the same reels throughout the bonus. Reel 3, the "Beast Reel", is initially locked and won't spin. It will be unlocked when a VS symbol has landed at least once on each of the other reels. Reel 3 has a special Beast Duel with a multiplier that multiplies the other reels' Duel Multipliers before they are added to the Reel Multipliers.

When the bonus game ends, the total win will equal the sum of all Reel Multipliers times the current bet level.
