# ALICE COOPER AND THE TOME OF MADNESS

Dare you enter the nightmarish worlds of Alice Cooper? Set in the parallel universes of Alice Cooper this 5x5 cascading grid slot is sure to give you a thrill.

When exploring the city of his latest musical tour venue, Alice comes across an eerie bookstore. While running his fingers along the spines of old books, he lands on a journal that piques his curiosity. He finds that the pages are blank. Intrigued, he buys the book.

As the journal is blank, Alice takes the opportunity to pen his memoir. With each stroke, he hears scratching coming from within the book. As he writes other pages are beginning to fill with stories, stories of other Coopers in other dimensions. Now a prisoner of his own making, Alice must keep his story alive, to keep himself alive. On a non-winning spin there is a chance to trigger one of the four realities.
