At the start of the first spin made on every stake you will be given a random set of symbols known as The Recipe. One or more matches on every reel completes the recipe, turns all matching symbols into Wilds for the current spin, and removes the recipe pattern. After you successfully completed a recipe, a new pattern will emerge on the next spin, and you have the chance for even bigger prizes. #### About Red Tiger Jackpots

Like all Red Tiger slots, Beriched may be taken with or without Red Tiger jackpots. If a jackpot version of the base game is taken, it must be paired with a jackpot contribution to get the final overall RTP of the game. For example pairing the with-jackpot base game certified at 94.72% RTP and adding a 1% jackpot contribution gives an overall RTP of 95.72%. The RTP of the jackpot contribution itself is 100%

## FEATURES IN THE GAME

## RECIPE FEATURE

At the start of the first spin made on every stake a random set of symbols referred to as THE RECIPE will be shown below the reels. Landing a symbol matching the one below the reel it landed on will trigger the Symbol Lock mechanic. One or more matches on every reel completes the RECIPE, turns all matching symbols into WILDS for the current spin, and removes the RECIPE PATTERN. After a RECIPE has been completed a new RECIPE PATTERN will appear on the next spin.

## FEATURES IN THE GAME

### SYMBOL LOCK

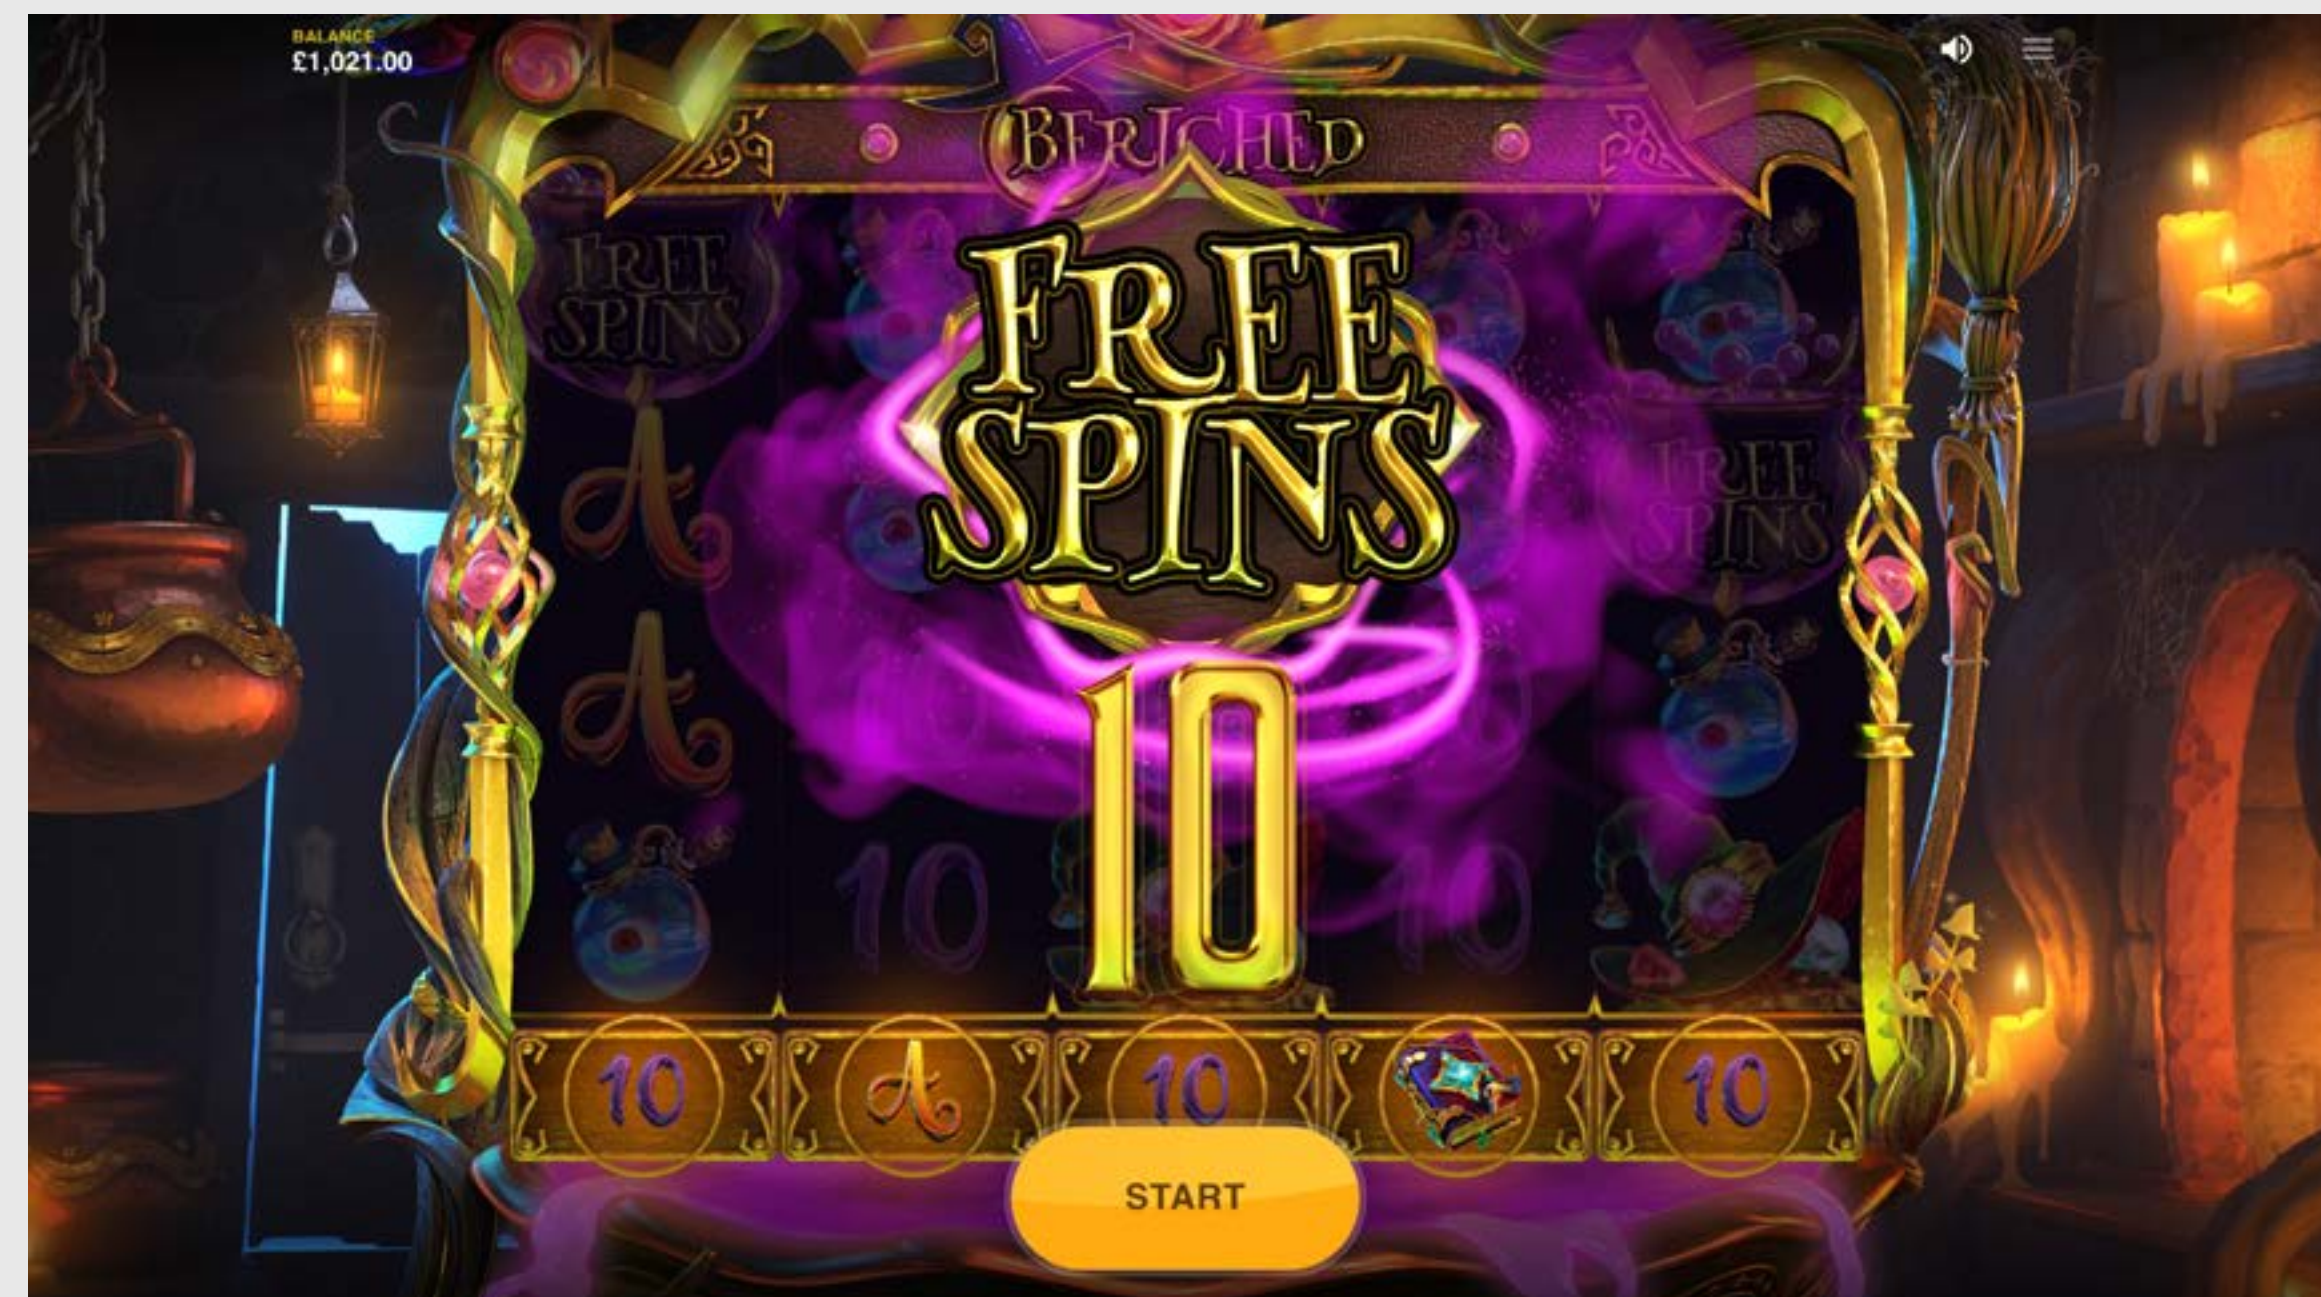

Symbols that match the RECIPE PATTERN or FREE SPINS symbols that land on the reels will lock for one spin. New matches or FREE SPINS symbols in the following spin will retrigger this mechanic. If no new matching symbols land on any of the reels all locked symbols are unlocked.

### WILD

Substitutes for all paying symbols. WILDS appear only from the RECIPE feature. During FREE SPINS the WILDS stay locked for the duration of the bonus round.

## FEATURES IN THE GAME

### FREE SPINS

Landing three Scatters on reels 1, 3 & 5 awards 10 FREE SPINS. During FREE SPINS the RECIPE will transfer and remain throughout the bonus round and all already locked paying symbols will turn into WILDS at the end of the first free spin before potential win lines are paid out. If a RECIPE is completed and FREE SPINS is triggered on the same spin the WILDS will be transferred into the bonus round and a new RECIPE PATTERN will be shown. Any further matching symbols that land will also immediately turn into WILDS. When FREE SPINS end the RECIPE PATTERN will be removed. Scatters do not appear in FREE SPINS and thus no bonus spins will be awarded during the bonus round.
