GAME OVERVIEW: BIGGER BASS BONANZA™

Is now a 12 payline game, still with 5 reels, but each reel now has a height of 4 symbols. This enables more fish to be collected in the freespins and more chance for the freespins scatters to land and initiate the bonus. The maxwin has also increased to 4,000x, adding to the volatility and enjoyment of the game. Another great addition, 5 fish symbols on a payline will pay the sum of their cash values, both in the base game and during freespins without the need for a fisherman to collect them.

As before, 3 or more scatters in view in the base game start the freespins feature with 10 spins. Any additional scatter adds an extra 5 spins, to increase the chance of landing that big fish.

Freespins start with the fisherman collecting any fish cash values in view and multiplies these values by x1. Every 4th fisherman that lands unlocks the next stage, increasing the multiplier value of the fisherman and awarding an extra 10 freespins to the player, once the current number of freespins have been exhausted. The upper stages of the freespins, increases the fisherman multiplying value by x2, x3 and finally x10.

The aim of the game is to reach the top x10 level for the chance of epic wins. At the top level, a 50x fish now becomes a 500x fish when collected by a fisherman.

The freespins bonus still has a chance for the player to activate the dynamite spin. When a fisherman lands without any fish in view to collect, he can throw a stick of dynamite to bring fish to the surface, which he then collects as normal. Bigger Bass Bonanza also includes the new hook feature. Similar to the dynamite spin, when a fisherman lands with no fish in view, on a random chance a hook is dropped below the screen to try and lift up fish that just escaped landing on the reels.

4X5 REELS FOR EXTRA BONUS CHANCE!
LOOK OUT FOR THE 4000X FISH!

MONEY SYMBOL

This is the MONEY symbol.

At every spin the MONEY symbol, takes a random money value.

The fish paying symbols are also MONEY symbols. At every spin, the fish take a random money value which can be won during the FREE SPINS feature.

FREE SPINS

Hit 3 or more SCATTER symbols to trigger the FREE SPINS feature.

5x SCATTER awards 20 free spins

4x SCATTER awards 15 free spins

3x SCATTER awards 10 free spins

During the FREE SPINS feature each WILD symbol also collects all the values from MONEY symbols on the screen.

All the WILD symbols that hit during the feature are collected until the end of the round.

Every 4th WILD symbol collected, retriggers the feature, awards 10 more free spins and the multiplier for MONEY symbol collection increases to 2x for the first retrigger, 3x for the second retrigger and 10x for the third retrigger.

The retrIGGERED spins are played after the previous batch of free spins ends.

The multiplier applies to the retrIGGERED spins.

After the third retrigger, the feature cannot be retrIGGERED anymore.

Randomly, when there is only 1 WILD symbol on the screen, at the end of a free spin, fish MONEY symbols can appear in random positions.

Special reels are in play during the feature.

The maximum win amount is limited to 4,000x bet. If the total win of a FREE SPINS ROUND reaches 4,000x the round immediately ends, win is awarded and all remaining free spins are forfeited

GAME RULES

VOLATILITY 

High volatility games pay out less often on average but the chance to hit big wins in a short time span is higher

All symbols pay from left to right on selected paylines.
All wins are multiplied by bet per line.

All values are expressed as actual wins in coins.
Only the highest win is paid per line.
When winning on multiple paylines, all wins are added to the total win.
