

November 2nd, Mexico City – a band of shadowy figures emerges to the centre stage. Sweet melody and percussions burst forth, marking the arrival of the dead souls.

The Day of the Dead (Dia de los Muertos) is here; the last day of the All Hallowtide season. It's a day of remembrance, but also of celebrations. The locals do not dwell in sorrow, instead they make music to melodically wake the spirits of the dead.

In the centre of this great festival the mysterious 4 members of the Magical Money Mariachi band work their enchanted songs...

ReelPlay proudly present Money Mariachi Infinity Reels™, our first bonus round collectable slot!

Trigger the Level-Up Respins feature with 3 Shrine symbols. Each instrument strengthens the Shrines by adding more souls into them. The Guitar grows, the Trumpet freezes respins in place, the Violin boosts the prizes, and the Beautiful hymn charms.

With Infinity Reels™ there's infinite possibilities! Imagine Prizes levelling up per Shrine and Special symbols across expanding reels requiring multiple screens to fit. The cherry on top is the Infinity Bonus paying 888x your bet!

Join ReelPlay in Money Mariachi Infinity Reels™ where the Magical Money Mariachi band grant you ever increasing prizes across an extending reel set; and Respins with infinite possibilities!

INFINITY REELS™

- Infinity Reels with Infinity Bonus of 888x when 12 or more reels added

- The triggering spin will have from 6 to 15 reels and the Infinity Bonus may be triggered from the triggering spin

LEVEL UP RESPINS

- 3 Shrine Symbols trigger Level Up Respins
- When a Shrine symbol levels up, there is also a chance it transforms in to one of 4 special symbols
 - Grower - levels up on every respin (no skulls required)
 - Freezer - the number of respins remaining is frozen for 3 respins (if extra Shrine symbols appear while a Freezer is active, the respins remaining are still increased back up to 3)
 - Booster - levels up all Shrine/Special symbols currently on the reels
 - Charmer - reduces the number of skulls required to level up Shrine/Special symbols by 1, and enhances all Grower symbols
 - Charmers enhance Growers by adding an extra level up to each Grower on each respin. For example, when 1 Charmer is on the reels, all Growers will level up twice on each respin. When 2 Charmers are on the reels, all Growers will level up 3 times on each respin
- Special symbols remain for the feature
