

GAME DESCRIPTION

The glory and incredible beauty of fabulous lands of Gauls are praised in many songs and legends. But today Platipus invites you not only to hear the story, but to become part of it yourself! Become a hero of a legend, enter the beautiful land of Gallia to explore the wonders that lurk in its forests. There you'll meet the king of great warriors, who will show you how to enjoy the fight. For the fight Gauls like to get involved in has between 108 and 12,348 ways to win in each spin. Visit the house of a local village druid, who, as it happens, has a lot of magic potions at his disposal. You need at least three potion cauldrons from him to trigger Free Spin Feature. Look for the cauldrons (or Scatters to use the game's language) anywhere on the reels except on the top horizontal reel, for they will give you a payout regardless of their position and add their wins to the way wins. Collect 6 or more unique Gauls Shields, which act as Bonus symbols in the game, anywhere on the reels except the top horizontal reel and you will receive 3 respins. During the respins, all the shields with the prizes on them will remain in the same positions while you collect additional bonuses with Triskelions, that have the power to reset your remaining respins back to 3. This way you have the opportunity to fill all positions with bonuses during the respin feature and trigger the Grand Jackpot!

But that's not all! Remember we mentioned the top horizontal reel? That's a special reel to keep an eye on, because that's where you'll find extra potions for special occasions! When you see bottles of potions landing on the reels right above the wild and bonus symbols, the incredible Extra Potion Feature is triggered! During this feature, you may witness the Bonus symbol turn into a Triskelion and the Wild symbol will receive a x2, x4, x8 or x16 multiplier, which multiplies any wins it's involved in by the multiplier value.

There is so much to explore in the incredible land of Gauls! Do not waste time hesitating, but jump into the adventure that awaits you in Platipus' new hit - Ways of Gauls!
