CASCADING WINS

Any 8 or more matching symbols anywhere on the grid will trigger a win - all winning combinations will also explode and cascade, allowing more symbols to drop down, often resulting in multiple combination wins.

HAPPY HOUR

The Happy Hour modifier can activate randomly on any spin, giving either a Fruit Multiplier, which will multiply all wins by up to 20x, or adding extra shots to the cocktail glass, for a chance to trigger Free Spins.

FREE SPINS

Triggered by filling the cocktail glass or landing 3 or more Scatters, each Free Spin will guarantee at least one Fruit Multiplier lands, with up to 3 possible and the values adding together for a total multiplier of up to 100x.

EXTRA JUICE

Tropical Bonanza also has an Extra Juice Bet, for 25% on top of the bet, which increases the chances to trigger Free Spins - as well as a Bonus Buy (where allowed) which will take players directly into the Free Spins bonus.
