JOIN RELAX IN DOWNTOWN JAPAN, OUR FELINE OF FORTUNE WILL GREET YOU WITH GOOD LUCK.

These felines will be waving good fortune your way from the minute the reels start spinning, look out for re-spins that trigger with every wild that lands and the Dream Drop jackpot that could drop at any time. The Dream Drop mechanic multiplies your opportunities and your winnings, while every wild that appears in a re-spin triggers the increasing multiplier; a fan-favourite feature that becomes persistent in the Free Spins round. Hold onto your kimonos because these multipliers are cumulative and multiply each other, sending your winnings soaring amongst the ancestors!

Let Neko Night be your talisman. Fortune, happiness and free spins await you in your future.

FEATURES

NEKO RE-SPIN

- Wilds are present on reels 2, 3 and 4. Landing a wild symbol upgrades further wilds landing on the same reel by increasing their multiplier by 1 and awards the Neko Re-spin feature.
- Re-spins continue as long as wild symbols continue to land during the re-spin feature.
- Wins formed with multiple wilds have their multiplier values multiplied together.
- The wild's multiplier values are displayed above reels 2, 3 and 4 and reset at the end of each game round during the main game.

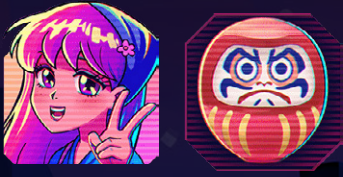

FREE SPINS

- 8 Free spins are awarded when 3 scatter symbols are collected throughout a game round.
- The Neko Re-spin feature is active during the free spins round and the wild's multiplier values do not reset between rounds in free spins.
- The starting values of the wilds in free spins are transferred from the main game.
- 1 additional free spin is awarded for each scatter symbol landing during the free spins round.
