## BLACKJACK

Commercial Data Sheet

# Let Vinnie deal you in!

Everyone's favourite tough guy, Vinnie Jones, stars as the VIP dealer in this unforgettable blackjack experience! Filmed by Hollywood professionals and created using the latest cinematic RNG technology, the game brings out every bit of Vinnie's streetwise persona as he reacts in one-to-one fashion to the player's decisions and results.

This is a private game set in a relaxed, members-only club, where 21+3™ and insurance side bets, and an enticing 6 Card Charlie rule, add to the fun.

# Tough as nails, larger than life

Originally known to the world as an imposing midfielder for Wimbledon F.C., Vinnie took his hard-man persona to the silver screen two decades ago, typically playing the kind of character you wouldn't want to cross.

In this game though, he's your friendly dealer who brings his larger-than-life humour to the table, the way only Vinnie Jones can, generating an atmosphere of bombastic fun.

## FEATURE

# 21+3™ Side Bets

Made at the time of the initial bet, this exciting side bet is based on the first two cards of player's hand and the dealer's face-up card.

The bet wins if the three cards combine to make one of these poker hands: flush, straight, three of a kind, straight flush and suited triples, with the last paying out an incredible 100:1.

## FEATURE

# 6 Card Charlie

This distinctive feature gives players an automatic win if they reach a six-card hand without going bust.

## FEATURE

# Split Hands

If the two initial cards have the same value they can be split into separate hands, which are then played individually.

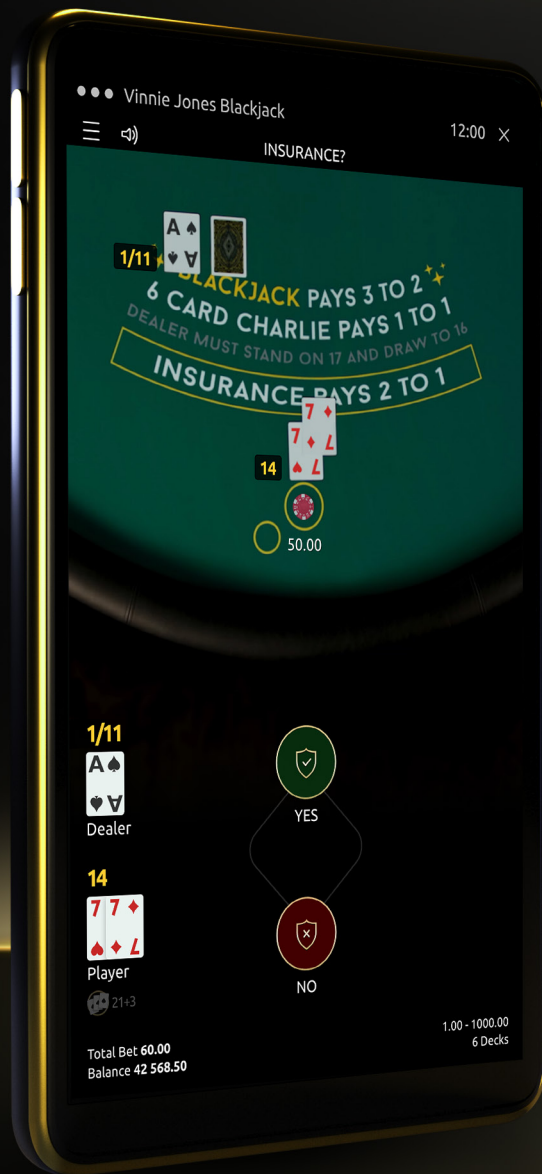

## FEATURE

# Double Down

The player has the option of doubling down on any two initial cards dealt. The player then receives one extra card before automatically standing.

## FEATURE

# Insurance

When the dealer's first card is an Ace, players are offered insurance against a dealer blackjack. Insurance costs half of the initial bet and pays 2:1.
