

HALLOWEEN LUCK™

★ Single Reel Game

★ Prize Towers

★ Bonus Prize

★ Collect Anytime

This spooky little slot is a simple to play single reel game with a Bonus Prize that will have you hooting like an owl.

The trick, to win the treats, is to fill the prize towers by landing Sweet symbols. You can collect anytime and get help from three special symbols: Witch, Ghost and Saver Potion.

But beware the Pumpkin, if it lands the prize towers will reset and everything collected will be gone like a ghoulie.

The Witch boosts all the prize towers by one.

The Ghost awards 3 free games with no fear of reset.

The Saver Potion prevents a reset when the Pumpkin lands.
