

# VisionX

Virtual Football Your Way!

By **KIRON.**

A new, improved and entertaining way to view Kiron's Football games. Toggle between league standings and head to head stats to help you decide on the best bet.

VisionX provides:

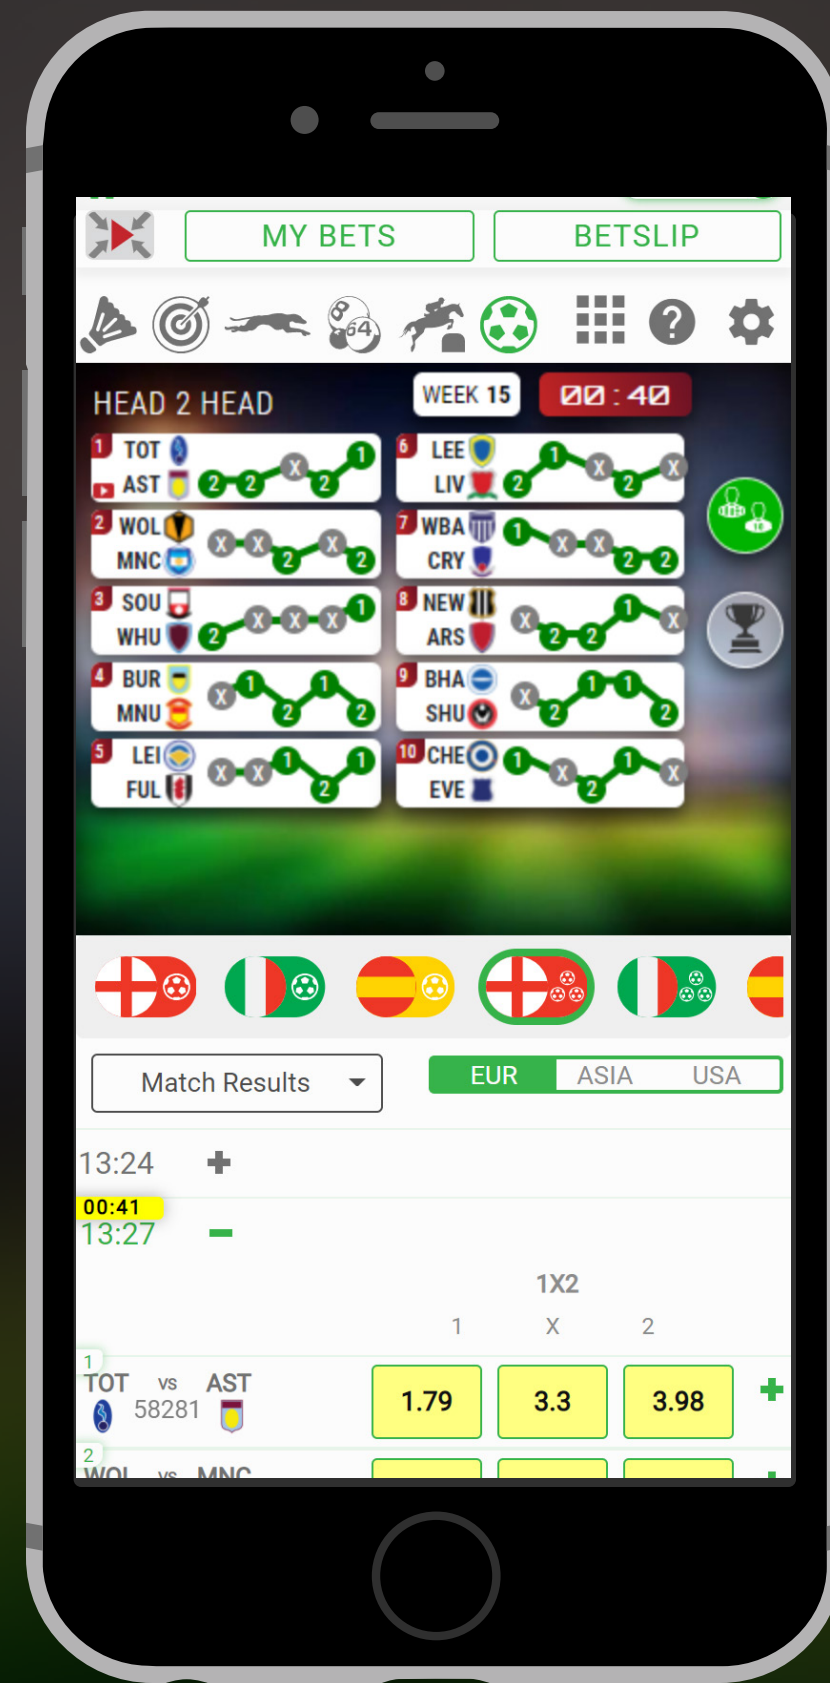

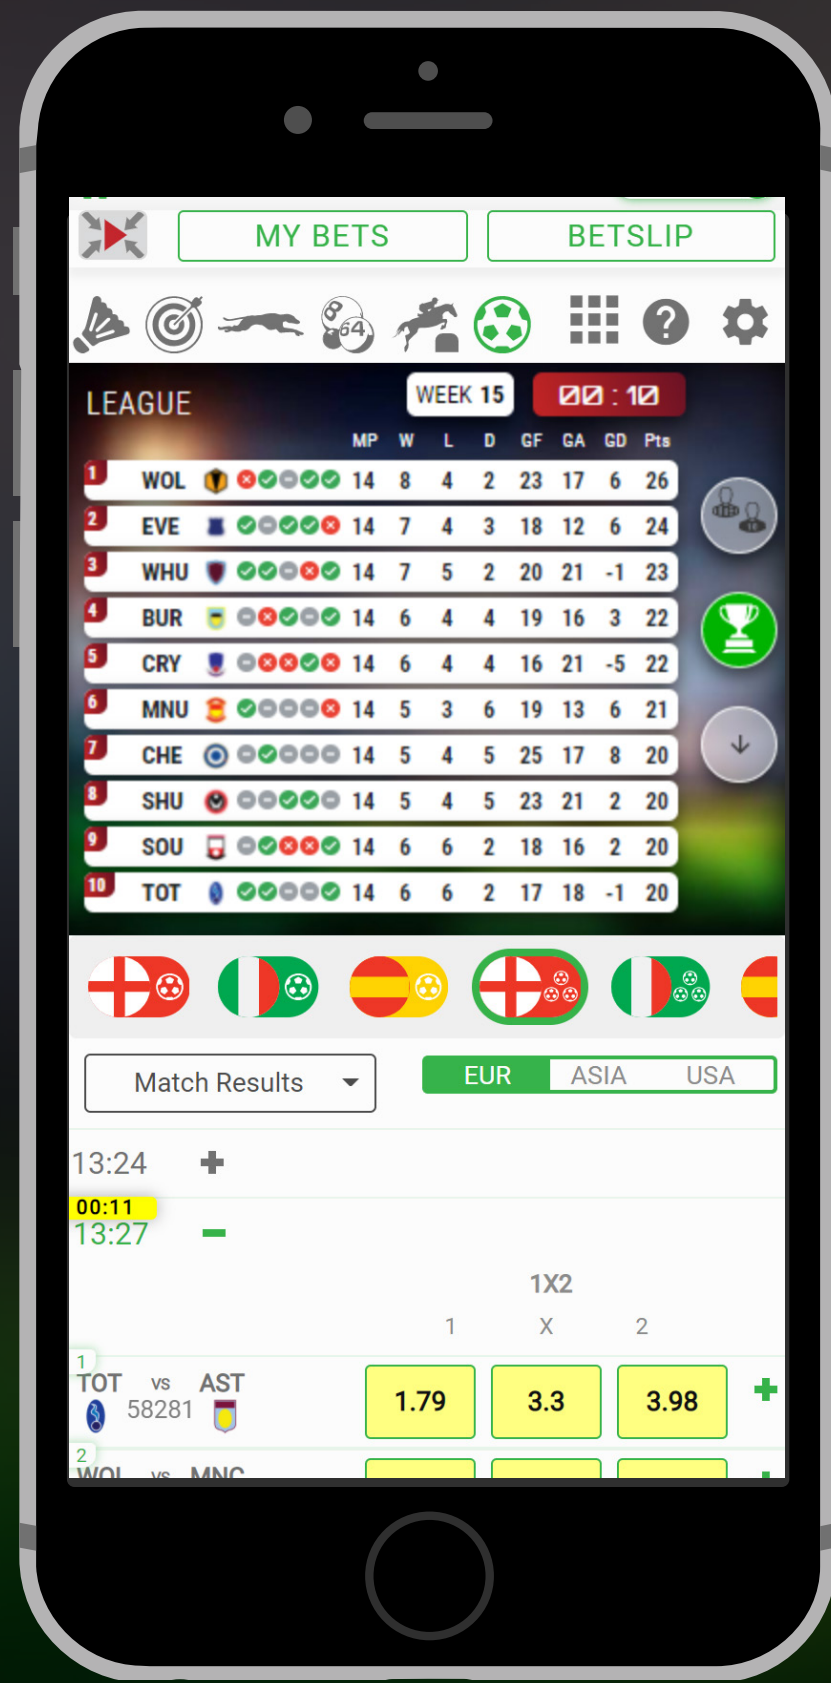

- Ability to view the main event with our immersive First Class Football animation or the mobile lite live score simulator.
- Less network data required to stream Kiron Football games.

## 1. Event Preamble View

Full League Selection - Displays the current league standings

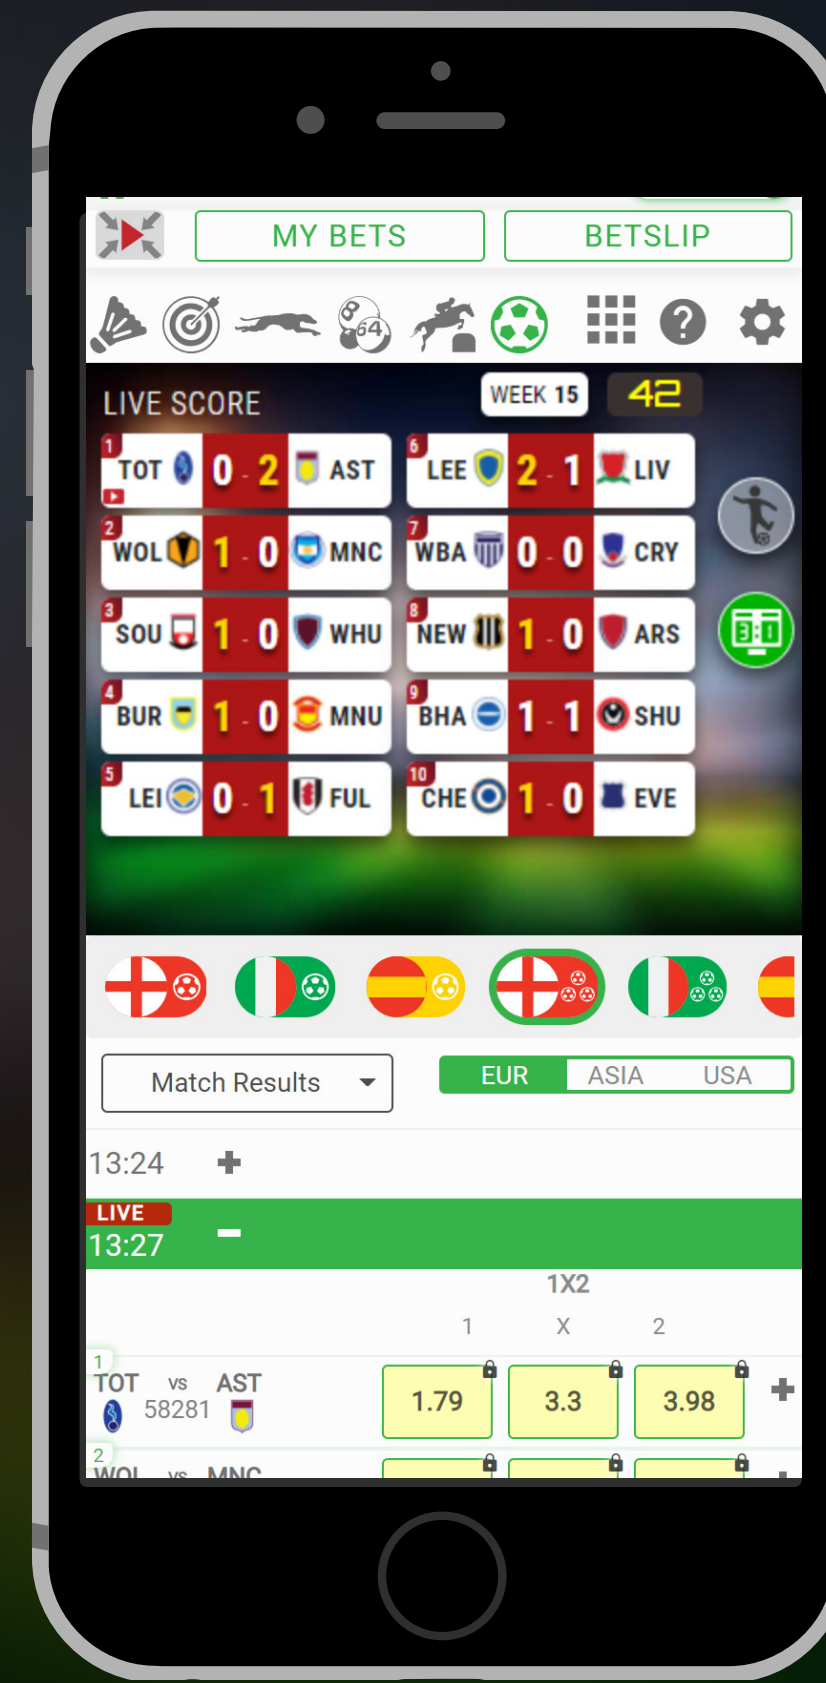

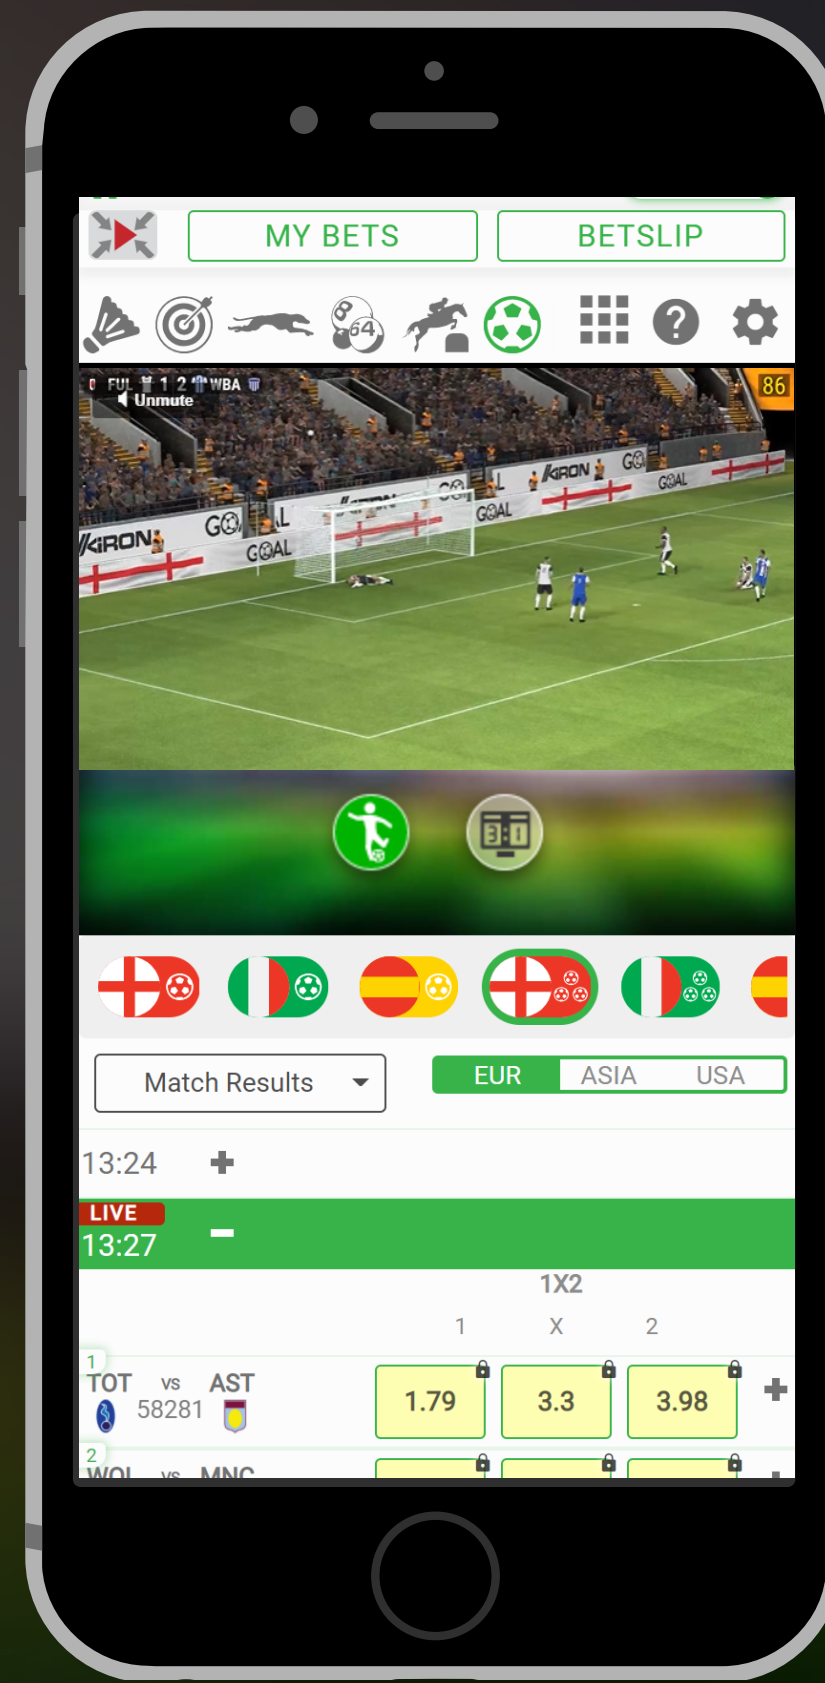

Head 2 Head Selection - Displays the last 5 results

## 2. Event Live view

Live Game View - Displays current game in real time

Current Scores View - Displays up to date scores of all current matches

## 3. Event Result view

Shows final scores of games
