Symbol Details

WILD

The **WILD** symbol is the Fireman. The **WILD** symbol can stand for any other symbol, except the **Fire Bell** symbol and the **SCATTER** symbols, to make the best possible winning combination.

The **WILD** symbol only appears on reels 2, 3, 4 and 5 in the base game.

The **WILD** symbol may appear on any reel in **Free Games**.

SCATTER

The **SCATTER** symbol is the game logo. 3 or more **SCATTER** symbols in any position trigger the **Free Games** Feature.

SCATTER wins can form from symbols in any position. **SCATTER** wins are multiplied by the player's total bet. Only the highest Scatter win pays.

Fire Bell

8 or more **Fire Bell** symbols in any position trigger the **Fire Blaze Hold & Respin** Feature.

Game Features

Fire Blaze Hold & Respin Feature:

When 8 or more **Fire Bell** symbols land simultaneously anywhere on the reels, the **Fire Blaze Hold & Respin Feature** is triggered. 3 respins are awarded.

After each respin, if there is 1 or more new **Fire Bell** symbol, it will be held, and the number of respins remaining will reset to 3.

After each respin, groups of adjacent held symbol positions will combine to form larger **Fire Bell** symbols.

Where more than 1 block of held symbol positions of different sizes can be formed, the largest block will be formed first.

Where more than 1 block of the same size can be formed, the block will be chosen randomly.

When all respins are used or when all symbol positions are filled, the held symbols will reveal prizes according to their group size, as listed in the Fire Bell Combinations Table in the payable.

The GRAND, MAJOR, MINOR and MINI prizes may be awarded during the **Fire Blaze Hold & Respin Feature**:

- GRAND prize value = total bet x 2000;
- MAJOR prize value = total bet x 500;
- MINOR prize value = total bet x 100;
- MINI prize value = total bet x 20.

Free Games Feature:

When 3 or more **SCATTER** symbols land simultaneously anywhere on the reels, the **Free Games Feature** is triggered.

6 **Free Games** are awarded.

During each **Free Game** spin, flames will appear over 1 or more symbol positions. Before the reels stop, these flames will transform into either **WILD** symbols or **Fire Bell** symbols. These added symbols will be evaluated when the reels stop, instead of the symbols they cover.

During **Free Games**, 3 or more **SCATTER** symbols landing simultaneously anywhere on the reels will award 6 additional **Free Games**.

During **Free Games**, any combination of 8 or more **Fire Bell** symbols in any position triggers the **Fire Blaze Hold & Respin Feature**.

Free Games are played with the same bet that was placed on the spin that triggered them.
