ABOUT TIMELESS ROSE

Stand the time as it goes by, for your winnings will grow as your roses do!

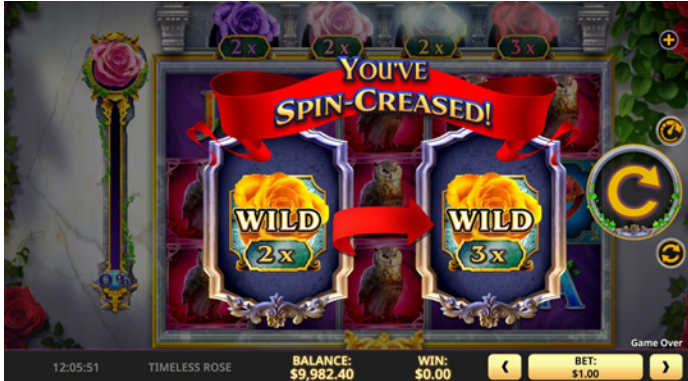

Example of Desktop Base Game

Timeless Rose is a game filled with multipliers. Collect Spin-crease points with every spin, see the meter progress and grant persistent multipliers increase by +1x. There are four of them, and they can go up to 3x, 4x, 5x and 6x respectively. The user progress is saved, therefore players can benefit from their achievements (higher multipliers) every time they come back. Land 3 Bonus symbols, and pick your preferred bonus round: more free spins or higher multipliers, you decide!

Following the success of land based Kiss of the Rose, Timeless Rose continues to cater for a segment of your more mature players that enjoy traditional games, with easy-to-play mechanics, and soft yet carefully crafted themes, with slick visuals and enjoyable soundtracks! If your players ever played Kiss of the Rose on their favourite land-based casinos, they will enjoy the next of its kind, now available online!
