At every spin, any combinations of 5 or more symbols touching horizontally or vertically will result in a winning combination.
 If there is one or more winning combination on the reels, all symbols that is not involved in a win will explode, allowing the symbols above them to cascade down for a new round.
 At every round, additional or increased winning combination will trigger more rounds until no more additional and increased winning combination.
 When there is no more additional or increased winning combination, payout is made for each symbol according to the Paytable.
 All wins shown in cash.
