Game features

Free Spin

5 free spins are initially awarded. The game is played on a 5x5 panel. Additional free spins are awarded when a free spin symbol lands on the panel. On each spin 1 scatter and random high symbols appear in the panel. Every high symbol travels to the scatter leaving a trail of multipliers. On each spin the hunter multiplier doubles up on each hit. When the hunter shoots: * If a travelling high symbol gets hit, it's value is multiplied by the hunter multiplier. * If the hunter misses, the symbol will randomly change it's position

Scatter

When the scatter appears it collects all the cash values from the high symbols. Collect 7 Scatter symbols to trigger the Free Spins game.

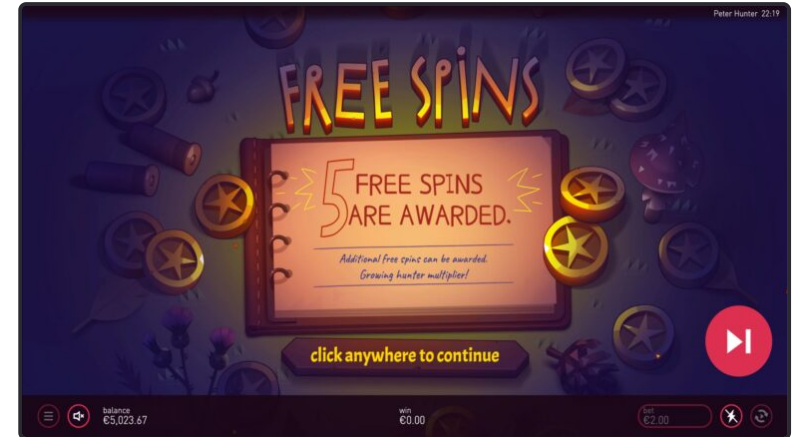

Wild

Wilds substitute for any symbol except the scatter.

Buy Free Spins

Players can buy into the Free Spins game with their choice of bet.

Cash Collect

In the main game, When a Scatter lands all Cash symbols move to the Scatter, increasing their value by a multiplier on each step. When they finally reach the scatter the hunter shoots and their values get collected. In free spins, cash symbols move to the scatter leaving a trail of multipliers that get collected when they reach the scatter and the hunter shoots it.
