## GOLD MINING FEATURE

The feature is triggered from 3 mining pots scatters in view on reels 2-3-4. On triggering the player is presented with a pick me grid and above is 3 Gold Mining symbols each containing a multiplier. Player picks sections of the grid and on matching three symbols that multiplier is awarded.

## GOLD NUGGETS FEATURE

The feature is triggered by 3+ gold nugget scatters in view. On loading the player is presented with a trail that starts with the lowest multiplier and increases as the player gets up the trail. The player spins a wheel and there are 7 outcomes 1-2-3-4-5-6-Collect, the numbers move the player up the trail.

## CANYON FEATURE

The feature is triggered by 3+  in view. The player then can pick one of the scatters and a multiplier is revealed, as are the other multipliers, and the selected multiplier is awarded.

## FEATURE SPIN

Match 3 Gold Nuggets symbols on the reels to trigger Gold Nuggets Feature active.

PREVIOUS CARDS 5 GAMBLE REMAINING **COLLECT 3.00**

Choose a colour or suit to play the gamble feature. A card is dealt. Each card is drawn from a new 52 card deck. The gamble amount is doubled if the correct colour is chosen or quadrupled if the correct suit is chosen. If incorrect, the gamble is lost.

# BET CHANCE

YOUR BET EXCEEDS THE BALANCE

CURRENT BET \$2 | BALANCE \$1.10

Spin the wheel to bet with your remaining balance, if successful you get to spin the reels at your current bet.

**SPIN**

Once a player's credit becomes less than the last spin stake amount the bet chance is activated. The odds of a successful bet chance are represented by the green segment. If landing on the green, a spin of the reels is awarded at the same stake level that was used prior to bet chance activation. If red is landed, then credit is taken.
